Town Meetings.

MONDAY, March 6, 1893.

Thomas S. Ireland was elected Moderator, and was sworn by the Town Clerk.

Stanwood G. Sweetser and William H. Briggs, who had been appointed by the Selectmen as ballot clerks, were sworn by the Town Clerk.

Charles F. Brown and Charles F. Blodgett were appointed assistant ballot clerks, and Clarence S. Lynde, Milburn Furbish, Harrison H. Newhall, Eliot L. Packard, William H. Jones, Peter L. McCarty, Samuel C. Batchelder, James O'Laughlin, Alfred E. Best, William H. Sullivan, Thomas Grady, George A. Howard, Charles A. Stone, and George P. Hamill, were appointed tellers, to assist in keeping the check list, and assorting and counting the ballots, and were sworn by the Moderator.

Voted, That the polls for receiving ballots for all town officers, and also for votes "Yes" or "No" to the question, "Shall license be granted for the sale of intoxicating liquors in this town," be closed at four o'clock in the afternoon.

At four o'clock the polls were closed for receiving ballots as called for in Article 2, at which time the ballot box registered 1104.

All the ballots having been assorted and counted by the Tellers, declaration of the same was made by the Moderator, as follows :

Number of ballots given out as checked by Ballot Clerks, 1110.

Number checked on list in charge of Tellers, 1110.

o'clock.

ADJOURNED TOWN MEETING.

Thursday, March 9, 1893.

After the meeting was called to order by the Moderator, chose John Hill Park Commissioner for three years, and William H. Marden for two years.

Chose W. S. Sullivan and Seth C. Bryant field drivers for the year ensuing.

Chose the Selectmen for Board of Health and Fence Viewers for the year ensuing.

Chose George N. Green Sealer of Weights and Measures for the year ensuing.

Instructed the Selectmen to appoint all other town officers except Pound Keeper.

Chose William C. Dustin Pound Keeper for the year ensuing.

Voted. To accept the reports of all town officers as printed.

Voted. To accept the reports of committees as printed.

Voted. To alter the Town Hall building into a school house, as recommended by the new Town House Committee, the building not to be removed from its present site.

Voted. To appropriate \$5000, to be paid from funds in the hands of the Treasurer, to alter the Town Hall building into a school house.

Voted. That the new Town Hall Committee be a committee to carry the above votes into effect.

Voted. Not to reconsider the vote, whereby it was voted to alter the Town Hall building into a school house.

Voted. To purchase one thousand feet of hose for the use of the fire department.

Chose the Fire Engineers and the Board of Selectmen a committee to purchase the hose.

The following were voted to be raised and appropriated:

Salaries of teachers.....	\$15,000
School incidentals, books and supplies.....	2600
Music in schools.....	400
Hose.....	800
Highways, General repairs.....	6000

“ Overseers of the poor.....	300

Salaries of auditors.....	125
“ Collector	500
“ Moderators	20
“ Treasurer.....	300
“ Town clerk as clerk of selectmen.....	100
“ Other town officers and committees.....	1000
Voted. That it is the sense of this meeting that the assessors be requested to readjust and equalize the valuation.	
Voted. To adjourn further action until Tuesday, March 14, at 7.30 P. M.	

ADJOURNED TOWN MEETING.

Tuesday, March 14, 1893.

After the meeting was called to order by the Moderator,

Voted. To raise and appropriate the following:

Decoration of soldiers' graves.....	\$250
Concrete sidewalks. Chap 50, sec 22.....	500
Summer street ledge.....	300
Oak street.....	300
Stone posts, Lindenwood cemetery.....	1215
Hydrants (new).....	100
Highland avenue.....	330
Green's lane.....	4300
Salaries of firemen.....	1500
Painting observatory on Bear hill.....	25
Electric arc light at head of Gould street.....	75

- Voted. That the articles referring to concrete sidewalks, under the provisions of chap 50, sec 22, be referred to the selectmen.
- Voted. To pay the members of the fire department semi-annually instead of annually as heretofore.
- Voted. That the treasurer be authorized, with the approval of the selectmen, to hire, not exceeding sixty thousand dollars, in anticipation of the taxes of the municipal year, and to issue notes of the town therefor, and the debts incurred under the authority of this vote are made payable from said taxes.
- Voted. That the treasurer be authorized, with the approval of the selectmen, to hire money to renew or replace, or pay any existing loan or loans, or any part thereof, and to issue notes of the town therefor.
- Voted. To adopt the following

RESOLUTION:

That it is the sentiment of voters in town meeting assembled, that we purchase a suitable lot of land and erect thereon a building for a town hall, public library, and other town purposes.

- Voted. To instruct the selectmen to petition the legislature for authority to incur indebtedness in excess of the limit fixed by law, for the purpose of purchasing land and erecting a new town hall building and additional school houses.
- Voted. To accept as a report of progress the following report of the Town Hall Committee :

The prices asked and the sizes of the following lots have been obtained by your committee as follows :

Estate of Samuel C. Whitney,	54x200 feet,	\$ 6500
“ “ Paulina Gerry,	95x420 “	15000
“ “ W. F. Stevens,	26x420 “	1000
“ “ Patrick Finnegan, land sufficient for street,		250

Total cost of above lots,	\$22,750
---------------------------	----------

This would give a frontage on Main street of 175 feet.

Estate of Mrs. W. F. Stevens,	126x300 feet,	\$11,000
“ “ Patrick Finnegan, land sufficient for street,		420

Total,	\$11,420
--------	----------

William G. Fuller, estate of Warren Sweetser, containing nearly four acres,	\$11,700
Vinton & Jenkins estate,	5000

Total,	\$16,700
--------	----------

Mr. Fuller will refund \$1700 if the Vinton & Jenkins estate is taken and factory removed, leaving cost \$15,000.

The plan for hall and library under separate roofs would require about 118 feet front and 150 feet in depth, and the plan for all under one roof would require about 72 by 125 feet.

Voted. That the chairmen of the Selectmen, Overseers of the Poor and School Committee, be a committee to purchase fuel for the use of the town for the ensuing year.

Voted. To construct a sidewalk on Washington avenue, the expense to be paid from appropriation for highway repairs.

- Voted. That the Selectmen be empowered to settle with the parties claiming damages by reason of raising the grade on Franklin street, or to defend the town as they deem advisable.
- Voted. To instruct the Selectmen to advertise for proposals, in accordance with the order of the County Commissioners, to build Green's lane, and that the contract be awarded to the lowest responsible bidder.
- Voted. That the Fire Engineers and the Selectmen be a committee to purchase new hydrants.
- Voted. That the fees received from the courts be added to the amount appropriated for support of police department.
- Voted. To repair and deepen the drain under Williams street, between the land of Fannie R. Slayton and the land of Richardson, and that the expense be paid from the appropriation for repairs on highways.
- Voted. To open and relay the culvert located on Everett street, about 150 feet from Congress street, and that the expense be paid from the appropriation for repairs on highways.
- Voted. To grant the free use of the Town Hall to the Loyal Temperance Legion one day each week the coming year, when not otherwise engaged.
- Voted. To appropriate from funds in the hands of the treasurer not otherwise appropriated, to settle account of F. L. & W. E. Whittier, contracted by G. F. Butterfield, as a member of Spot Pond Committee, \$47.50.

- Voted. To pay G. F. Butterfield for services on Spot Pond Committee, to be paid from appropriation for miscellaneous and incidental expenses, \$50.
- Voted. That the town will authorize its collector to use all means of collecting taxes which the town treasurer may use when appointed collector.
- Voted. To instruct the Selectmen to have the drain running from Rowe's hill in a southerly direction to the Winchester Water Works, cleaned out.
- Voted. To instruct the Selectmen to repair the sidewalk on the north side of Marble street.
- Voted. To instruct the Selectmen to provide suitable storage for the tools used on the highways.

.....

TOWN MEETING.

Friday, April 7, 1893.

Myron J. Ferren elected Moderator.

The question of empowering the assessors to procure sectional maps of the town to be used in making the next valuation, at an expense of \$700, was defeated.

Voted. To raise and appropriate for highway contingent and breaking snow, \$400.

Voted. To adjourn.

TOWN MEETING.

Tuesday, April 25, 1893

The meeting was called to order by Walter S. Keene, Chairman of the Selectmen.

Stanwood G. Sweetser and William H. Briggs, who had been appointed Inspectors, and Fred H. Chase and Thomas Grady, Deputy Inspectors to serve at this meeting, were sworn by the Town Clerk.

Charles A. Stone, George W. Cromack, James A. Jones, Milburn Furbish, William H. Sullivan and Winfield S. Hurd were appointed Tellers to assist at the check list, and in assorting and counting the ballots, were sworn by the Town Clerk.

Voted. To close the polls for representative in Congress at four o'clock P. M.

The polls were closed at four o'clock, at which time the ballot box registered	865
The number of ballots taken from the ballot box	893
The number of names checked by ballot clerks	893
The number of names checked by tellers	893

All the ballots having been assorted and counted, declaration of the same was made by the chairman as follows :

Louis A. Banks of Hyde Park,	28
William E. Barrett of Melrose,	507
George H. Cary of Lynn,	18
William Everett of Quincy,	330
Blank,	10

Voted. To adjourn.

Petition for recount of ballots cast for representative in the Congress of the United States, Seventh District.

STONEHAM, April 26, 1893.

We, the undersigned, being legally qualified voters in the town of Stoneham, believing that William E. Barrett of Melrose received more votes than were credited to him, and that William Everett of Quincy received less votes than were credited to him, hereby petition for a recount of the ballots cast in the town of Stoneham for representative to Congress from the Seventh Massachusetts Congressional District, on Tuesday, April 25, 1893 :

J. H. Whitmore, Main st.	C. J. Berry, Warren st.
M. W. Messer, Main st.	A. W. Rice, Main st.
H. W. Messer, Main st.	John C. C. Small, Gould st.
A. S. Parker, High st.	W. H. Weed, Gould st.
F. L. Whittier, Central st.	Jona. S. Lewis, Emerson st.
Reuben Meader, Lincoln st.	Wm. F. Gordon, Main st.
R. W. Barnstead, Chestnut st.	W. E. Sweetser, Hancock st.

Filed 8 A. M. Thursday, April 27, 1893.

RECOUNT.

In conformity with Section 104, Chapter 423 of the acts of 1890, the several candidates named in the foregoing petition having been notified of the time and place of such recount, the Selectmen proceeded to recount the ballots cast on April 25, 1893, with the following result :

Louis A. Banks of Hyde Park,	28
William E. Barrett of Melrose,	506
George H. Cary of Lynn,	18
William Everett of Quincy,	329
Blank,	12

Louis A. Banks represented by John L. Nichols of Lynn, William E. Barrett represented by Francis K. Sweetser and Harry W. Messer of Stoneham.

William Everett represented by William H. Bryant of Revere.

TOWN MEETING.

Friday, May 19, 1893.

Myron J. Ferren was elected Moderator.

Voted. To appropriate \$1600 in addition to the amount of \$5000 already appropriated, for the purpose of altering the Town Hall building for school purposes.

Voted. To adjourn.

TOWN MEETING.

Thursday, July 13, 1893.

Myron J. Ferren was elected Moderator.

Voted. That we do release to the cities of Malden and Medford, and the town of Melrose, our rights in Great Island, and in the land purchased of Elbridge Gerry for a public park on the easterly side of Main street, for the consideration of the payment of thirty-two hundred dollars, and interest on the same from date of its purchase by

the town to the date of release, on condition that the cities of Malden and Medford and the town of Melrose shall release to the town of Stoneham all rights claimed by them in a tract of land containing about eleven acres, situated in Stoneham, and bounded easterly by Main street, northerly by land formerly of Wadsworth, westerly by land of the town purchased for a public park, and southerly by land now or formerly of Elbridge Gerry, reserving to themselves, however, a right of way over the last described lot of land to their land north of it, and with a provision that the town of Stoneham will not hinder nor divert the natural flow of water over and across the last described premises to Spot Pond and its tributaries, nor allow said premises used for such purposes, or in such manner as will endanger the purity of the waters of Spot Pond or its tributaries, and that the town of Stoneham will keep the low ground part of last described premises free of filth, and with suitable channel for the free passage of water across the same, or will permit said Malden, Medford and Melrose to enter and do the same by their servants and agents as occasion may require, and that the Treasurer be authorized to execute such release in behalf of the town.

- Voted. That the money received from the release last voted be used in payment of the debt incurred for public parks.
- Voted. To accept the report of the new Town Hall Committee as a report of progress.
- Voted. To adjourn.

TOWN MEETING.

Tuesday, November 7, 1893.

The meeting was called to order by Walter S. Keene, Chairman of the Selectmen.

The Chairman appointed the following Inspectors, Deputy Inspectors and Tellers to serve at the meeting, who were sworn by the Town Clerk.

Fred H. Chase and W. H. Briggs, Inspectors ; William H. Gorham and Thomas Grady, Deputy Inspectors.

TELLERS.

TOWN MEETING.

Tuesday, December 5, 1893.

Myron J. Ferren was elected Moderator.

Voted. To adjourn until Tuesday, December 12, at 7.30
P. M.

ADJOURNED TOWN MEETING.

Tuesday, December 12, 1893.

Meeting called to order by the Moderator.

The Moderator appointed S. C. Bryant, C. F. Buck, J. A. Moulton, J. Measures and William H. Sullivan a committee to retire and nominate a committee on Finance for the year ensuing.

The committee reported the following for the Finance Committee:

Walter S. Keene, John W. Kelley, John G. Beede, Seth C. Bryant, William H. Gorham, N. F. Tucker, Charles Buck, G. A. Hinchcliffe, Thos. Grady, Fred E. Nickerson, Stephen P. Finnegan, James B. Hawkins, William B. Stevens, O. H. Marston and Elbridge Gerry.

William B. Stevens declining to serve, it was voted that the nominations submitted by the committee, substituting James W. MacDonald for William B. Stevens, be the Finance Committee for the year ensuing.

REPORT OF WATER COMMITTEE.

SECOND REPORT.

In regard to purchase of Wakefield Water Works made to the town December 5, 1893.

The committee chosen December 26, 1891, to investigate in respect to the purchase of the water works of the Wakefield Water Company, by the towns of Stoneham and Wakefield, herewith submit their report as follows :

Your committee find that the contract of the Water Company with the town of Stoneham provides for the right of the towns of Stoneham and Wakefield to purchase the water works by the following clause.

“This company further agrees that the town of Stoneham may, at any time after ten years, and not later than fifteen years from the completion of the work herein agreed to be performed, purchase those portions of said company’s works constructed for the purpose of supplying the town of Stoneham with water, together with the franchise of said company, covering such proportional parts of said company to the waters of Crystal and Quannapowitt lakes and their sources of supply, at such price as may be agreed on; and, if no agreement can be reached, at such valuation as may be fixed by a commission to be appointed by any person who shall at the time be judge of probate for the county of Middlesex or of Suffolk, provided the town of Wakefield shall agree and vote to do the same in regard to the portions of the franchise and works constructed to supply water for that town; and the company hereby agrees, if both towns of

Wakefield and Stoneham shall so vote, then the town of Wakefield shall have the right to purchase the portion of the works constructed to supply water for that town, together with the franchise of said company covering such proportional parts of the right of said company to the waters of Crystal and Quannapowitt lakes and their sources of supply."

This contract was confirmed by legislative act, and published in Stoneham town report of February 28, 1883.

A number of conference meetings of the Stoneham and Wakefield committees have been held, at one of which a sub-committee of three from each town was chosen to confer with the Wakefield Water Company, to see if they would name a price for the plant and franchise for a sale of the same to the two towns; but up to the time of the writing of this report neither your committee, or the committee appointed by Wakefield have been able to obtain any definite or even an approximate price, at which said works and franchise can be bought; and considering the existing condition of the town in relation to its water supply, it is the unanimous opinion of your committee that Stoneham should, in connection with Wakefield, proceed immediately to purchase the works and the franchise of the Wakefield Water Company under the provisions in the contract between the Quannapowitt Water Company and the town of Stoneham, dated January 26, 1883.

And your committee further recommend, that should the town vote to purchase the said works, that the towns of Stoneham and Wakefield proceed at once to utilize the waters of Quannapowitt lake and its sources of supply in order to effectually prevent other cities or towns from encroaching further upon our rights, which at this time we are in great danger of losing, as the Wakefield Water Company

have already tried to negotiate the sale of the surplus water to Lynn, and also other cities and towns. It is only a question of a few years at the present rapid growth in our population when every drop of this supply will be needed by Stoneham and Wakefield. As a matter of economy every argument is in favor of the towns owning the works and franchise.

CHARLES H. DREW,
WALTER S. KEENE,
GEORGE F. BUTTERFIELD,
WILLIAM H. SPRAGUE,
JOSEPH MEASURES,
J. W. SPENCER,
WILLIAM H. GORHAM.

Stoneham Water Committee.

The Moderator read the following communication from the Wakefield Water Company :

WAKEFIELD WATER COMPANY, }
Wakefield, Mass. }

December 4, 1893.

TO THE SELECTMEN OF STONEHAM :

Gentlemen :—I am informed that there will be a town meeting in your town to-morrow night, at which there will be a proposition made to purchase the plant and franchise of the Wakefield Water Company.

I wish to say to the citizens of your town in a courteous but most emphatic manner, that the plant and franchise of said company are not for sale voluntarily. By this the company does not mean to ignore the existence of the contract made between your town and the Quannapowitt Water Com.

pany, but simply to make known to you the fact that it does not wish to sell its property.

Yours very respectfully,

WAKEFIELD WATER COMPANY.

By S. K. Hamilton, President.

Unanimously voted. That the town join with the inhabitants of the town of Wakefield in the purchase of the franchise and works of the Wakefield Water Company, in accordance with the provisions of a contract entered into between the inhabitants of the town of Stoneham and the Quannapowitt Water Company, bearing date January 26, 1883, and that Charles H. Drew, William H. Sprague, George F. Butterfield, Walter S. Keene, Joseph Measures, William H. Gorham and John W. Spencer be appointed a committee with full powers on behalf of the town to purchase such portion of said works and franchise as the town may purchase under the terms of said contract, to agree on the price and terms of payment, or submit the same to commissioners for determination as provided in said contract, and to do all other things necessary to secure the rights of the town under said contract: provided, however, that no agreement between the committee and the Company as to price and terms of payment shall be binding on the town till it shall have been ratified by them; and provided further that the committee shall have no authority on behalf of the town to purchase said works and franchise, or submit the price to commissioners, unless the same rights shall be secured to the inhabitants of

TOWN MEETINGS.

the town of Stoneham in the waters of Quannapowitt and Crystal Lakes and their tributaries, as to the inhabitants of the town of Wakefield.

Voted. That the report of the Selectmen on widening Minot street be accepted and adopted.

Voted. To appropriate the sum of \$1247 dollars to pay the Durkee heirs and Chase Brothers, for land taken to widen Minot street, as laid out by the Selectmen.

Voted. To appropriate the sum of three hundred (\$300) dollars, for the purpose of breaking snow.

Voted. To appropriate the sum of two hundred (\$200) dollars, for the purpose of printing the town valuations of 1893.

Voted. To place an arc light on Bellevue Avenue in Stoneham, for the accommodation of the residents of that portion of the town.

Voted. That the following articles of this warrant be inserted in the warrant for the annual meeting in March, 1894 :

Art. 7.—To see if the town will vote to accept the provisions of Section 1, Chapter 370, of the Acts of 1891, entitled "An Act to enable cities and towns to manufacture and distribute gas and electricity."

Art. 9.—To see if the town will vote to accept Keene and Cowdrey streets, as laid out by the Selectmen.

Art. 12.—To see if the town will vote to accept the act of the Legislature of 1893, entitled "An Act to authorize the town of Stoneham to incur indebtedness beyond the limit fixed by law, for the purpose of a town hall and public library building.

Art. 13.—To see if the town will vote to purchase land for a site for a new town hall and public library building, or do anything in relation to the same.

Art. 14.—To see if the town will vote to authorize the Treasurer, under the direction of the Selectmen, to issue notes of the town in accordance with the public statutes, for the purchase of land for a site for a new town hall and public library building.

Voted. That the report of the Selectmen on the laying out of Isabella and Ferdinand streets. be accepted and adopted.

Voted. That the town enter into a contract with the Wakefield Water Company, to supply said town with water for the extinguishment of fires, for the term of one year, unless terminated sooner by the purchase of the works by said town; and that the water committee be empowered to make said contract.

The jury list presented to the town as revised by the Selectmen, having more names than allowed by law thereon, it was

Voted. To refer the list of jurors back to the Selectmen.

Voted. To adjourn.

Town Clerk.

REPORT

OF THE

BOARD OF SELECTMEN.

TO THE CITIZENS OF STONEHAM :

Another year has passed and your Selectmen respectfully submit for your inspection the report of their doings on the various matters requiring their attention during the financial year ending January 31st, 1894.

Contra to our hopes of a year ago for a year of unprecedented prosperity for our town and people, it has been one directly opposite. All business, and nearly all new enterprises have suffered, and been held back by the great and general national depression. But notwithstanding all this Stoneham has made marked advancement, particularly in improved highways; nothing is more needed for the material business health of a community than good streets and good sidewalks, and a plenty of them, and money cannot be better expended than in their construction and care; of course there is a limit beyond which the town cannot go in this direction without a special bonded provision; for this generation must not pay too much for the luxuries or necessities

of the future; to keep down the tax rate you must stop making appropriations and appropriations to be paid out of the treasury when there is nothing in it to pay with. The proper way to provide the people generally with good streets is to construct them from a bonded debt on long time with low interest; then all could be made happy, and all bear the burden proportionately and easily.

For the financial condition of the town we refer you to the report of the Town Treasurer.

HIGHWAYS.

In accordance with Chapter 98, Section 1, of the acts and resolves of Massachusetts, 1889, your Selectmen appointed Warren F. Wheeler Superintendent of Streets, under the direction of the Selectmen.

The money appropriated for the improvement of highways and town ways, in our judgment, has been expended in the interest of the people, but there is yet very much to be done, and some sound method should be adopted by which the present generation may enjoy good substantial streets without too heavy a burden of taxation; it can be done; we have yet many very poor streets, of which Pond street is an example, and its condition is a great disadvantage to our town; good streets induce new settlements.

For details of the general work we refer you to the report of the Superintendent of Streets.

GUIDE BOARDS.

The law requires the Selectmen to report to the town the condition of guide-boards. [See Section 4, Chapter 53.

DAMAGE CLAIMS SETTLED.

The Selectmen, acting under authority given them by the town to settle or defend suits for damages claimed by

reason of repairing and building Franklin street in 1892, have, in their opinions, settled the said claims for the best interest of the town. Following are the statements made :

C. C. Dike.....	\$175.00
C. H. Brown	108.00
Owen Finnegan.....	68.00
A. A. Lothrop.....	175.00
J. Fox	175.00
C. Chicoine.....	180.00
B. Lawless.....	60.00
B. Conefey	100.00
Estate D. H. Messer.....	100.00
Total.....	<hr/> \$1,141

We comply with the law in relation to Guide Boards by stating that they are properly erected in all places required by law, and where public convenience requires.

ELECTRIC LIGHTS.

The Selectmen have executed a contract with the Woburn Electric Light Co. for one year from September 1, 1893, for 118 incandescunt lights at \$13.53, 23 arc lights at \$81.

GREEN'S LANE.

The town was ordered by the County Commissioners to build this street and have it completed on or before January 1, 1892, but owing to the very heavy expenditures to be made, and the necessary improvements in course of construction, the Selectmen obtained a postponement of this work until 1893, and in accordance with said order the Selectmen have constructed this street in a thorough and substantial manner. It is built to its full width with sidewalks.

The Selectmen advertised for bids for the construction of this street, and the bids received ranged from \$4,300, which was the amount of the appropriation, to \$13,000. The Selectmen awarded the contract to Henry Meegan & Co. for \$4,300, they furnishing bonds acceptable to the Selectmen, and we are pleased to state Messrs. Henry Meegan & Co. have constructed the street in a manner entirely satisfactory to the Selectmen, and this street is now a credit to the town, as it is also to the contractors. The County Commissioners have accepted the said street.

CONCRETE SIDEWALKS.

The Selectmen have constructed the following concrete sidewalks in accordance with, and under authority of Chapter 50, Section 22, of the Public Statutes :

S. G. Chauncey, Main Street.

W. R. Dunham, “ “

W. A. Mansur, “ “

C. E. Cromack, “ “

F. W. Spencer, “ “

T. T. Trull, “ “

Mrs. H. Berry, Benton “

Estate E. Fisher, Spring

J. B. Read,— “ “

J. G. Green, “ “

Jesse Green, “ “

E. A. Vinton, “ “

CONCRETE SIDEWALKS, ABUTTERS TO PAY ONE-HALF.

The following concrete sidewalks have been constructed under vote of the Selectmen, the abutters to pay one-half as per their applications duly acknowledged before a justice of the peace :

A. H. Cowdrey, William Street.
 G. H. Peavey, Gould "
 Mrs. Bean, " "
 A. V. Cummings, Main "
 Wm. H. Gorham, " "
 Chas. O. Currier, " "
 Susan T. Trull, " "
 Walter H. George, " "
 Alonzo L. Frederick, Benton and Warren streets.
 Willie P. Hill, Gould street.
 Sarah A. Marston, Pomeworth street.

CONCRETE CROSSINGS.

Bow street, at Spring street.

CONCRETE GUTTERS.

William Street, against A. H. Cowdrey,
 Gould " " W. P. Hill,
 Spring " " East School House.

POLICE.

The importance of this department should have the careful thought of our citizens, as well as their hearty support. The duties of the officers are both arduous and extremely unpleasant, and to know that we have a corps of men who, knowing this fact, are willing to accept these positions, and do their duty, should be a consolation to those who help to pay the expense.

Three burglars, and would-be murderers, are now serving long sentences behind the bars, and numerous other cases mentioned in the report of the Chief of Police show the service of this department.

JURORS.

During the year the following named gentlemen have been drawn as Traverse Jurors :

SUPREME JUDICIAL COURT, Lowell.

John Lahey, Jr.

SUPERIOR COURT, (CRIMINAL TERM,) Cambridge.

John Kingman, John C. C. Small,

Charles E. Horne, Samuel O. Carter.

SUPERIOR COURT, (CIVIL.)

Frank A. Wood, William H. Eastman,

John Walker, John C. Coffin.

SUPERIOR COURT, Lowell.

George Green, Elbridge Gerry,

John W. Kelley.

SHERIFF'S JURY.

Luther F. Jones, Frank E. Reynolds,

John G. Beede, Charles D. Fall,

Oliver S. Quimby.

ENGINEERS AND FIRE DEPARTMENT.

The Fire Department has maintained its excellent record, and is excelled by none. It must be gratifying to the citizens to feel the security that their prompt and efficient service and discipline must give, and all the encouragement that can be given to this faithful body of good men who risk their health, lives and limbs to save the properties of their friends and foes alike, should be extended to them.

FIRE HOSE.

In accordance with a vote of the town the Board of

Selectmen and the Board of Fire Engineers, have purchased 1000 additional feet of 2 1-2 Paragon Fire Hose of the best quality.

HYDRANTS.

In accordance with the vote of the town the Selectmen and Fire Engineers located hydrants as follows :

One on Franklin street, opposite Emerald court ; also one on Franklin street near the residence of C. B. Melvin.

TOWN LAND SOLD.

In accordance with a vote of the town passed June 13, 1892, the Selectmen and the Town Treasurer have sold a lot of land on High street to J. G. Stiles for the sum of \$1,123.10, and have executed a deed of the same.

INSPECTOR OF ANIMALS.

The Selectmen appointed Geo. H. Allen Inspector of Animals to be used for food or slaughter. Following is the report :

COMMONWEALTH OF MASSACHUSETTS.

BOARD OF CATTLE COMMISSIONERS. }
ORDER FOR KILLING. }

July 19, 1893.

TO THE BOARD OF HEALTH OF STONEHAM :

The brown, or black and white cow now in quarantine upon the premises of Mr. Erving Hatch of Stoneham, and said to belong to Mark Felch of Woburn, was reported to this board as suspected having a contagious disease on July 11, 1893. I have this day examined the said animal, and am satisfied that it is affected with the disease known as Tuberculosis, which is a contagious disease under the act, and that the public good requires that the animal be killed forthwith. You are therefore ordered and directed to cause the said animal to be destroyed with all possible dispatch.

and after the carcass has been inspected by Dr. George H. Allen, to cause it to be safely disposed of by burial or otherwise. You will also cause the premises where the said animal has been kept to be cleansed and disinfected.

LEVI STOCKBRIDGE,

Commissioner.

Whole number of cattle inspected,	522
-----------------------------------	-----

Number of diseased cattle found,	5
----------------------------------	---

Viz: John B. Tidd, 1; slaughtered Aug. 26. E. Hatch, 1; slaughtered July 19. Mary E. Butts, 1; died in quarantine Dec. 15. Langwood Hotel, 1; died in quarantine. In all these cases post mortem showed Tuberculosis, and so reported to State Board of Cattle Commissioners.

GEORGE H. ALLEN,

Doctor and Inspector.

[Signed.]

WALTER S. KEENE,

GEORGE F. BUTTERFIELD,

WILLIAM H. SPRAGUE.

Selectmen of Stoneham.

REPORT

OF THE

BOARD OF HEALTH.

TO THE CITIZENS OF STONEHAM :

Your Board of Health are glad to report that the general health of the town is remarkably good at this time, and throughout the year the cases of contagious diseases have been less than in 1892. There has been reported to this Board 15 cases of scarlet fever, it being nine cases less than in 1892. Seven cases of diphtheria, which is the same as was reported in 1892.

Prompt action of the Board has been given in each case reported, and where remedies could be applied it has been quickly done.

The Board recommends that great care be taken by all citizens of the town to avoid and prevent contagion. It is the duty of all to ever be on the alert to guard closely the general health.

The Selectmen appointed George N. Green agent of the Board of Health, with authority to issue burial permits and certificates of registry.

CONTAGIOUS DISEASES.

The attention of citizens is called to recent legislation concerning contagious diseases :

SECTION 1. When a householder knows that a person within his family is sick of small-pox, diphtheria, scarlet fever or any other disease dangerous to the public health, he shall immediately give notice thereof to the Selectmen or Board of Health of the town in which he dwells ; and upon the death, recovery, or removal of such persons, the rooms occupied and the articles used by him shall be disinfected by such householder in a manner approved by the Board of Health. Any person neglecting or refusing to comply with either of the above provisions shall forfeit a sum not exceeding one hundred dollars.

Sec. 2. When a physician knows that a person whom he is called to visit is infected with small-pox, diphtheria, scarlet fever, or any other disease dangerous to the public health, he shall immediately give notice to the Selectmen or Board of Health of the town ; or if he refuses or neglects to give such notice he shall forfeit for each offense not less than fifty nor more than two hundred dollars.

Sec. 3. The Board of Health in the several cities and towns shall cause a record to be kept of all reports received in pursuance of the preceding sections, and such record shall contain the names of all persons who are sick, the localities in which they live, the disease with which they are affected, together with the date and names of the persons reporting in such cases. The Board of Health shall give the School Committee immediate information of all cases of contagious diseases reported to them according to the provisions of this act.

ACTS OF 1883, CHAPTER 124.

Sec. 2. No railroad corporation or other common carrier or person, shall convey or cause to be conveyed through or from any city or town in this Commonwealth, the remains of any person who has died of small-pox, scarlet fever, diphtheria, or typhoid fever, until such body has been so encased and prepared as to preclude any danger of communicating the disease to others by the transportation, and no local registrar or clerk shall give a permit for the removal of such body until he has received from the Board of Health of the city, or the Selectmen of the town, where the death occurred, a certificate, stating the cause of death, and that said body has been prepared in the manner set forth in this section, which certificate shall be delivered to the agent or person who receives the body.

By the above it will be seen that it is the duty of the Selectmen, acting as a Board of Health, to keep a record of all cases reported to them.

REMOVAL OF BODIES OF DECEASED PERSONS.

Acts of 1888, Chapter 306.

An act relating to the Certificates and Registry of Deaths and the burial and removal of bodies of deceased persons.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows :

Sec. 1. Section 3 of Chapter 32, of Public Statutes, requiring attending physicians to furnish for registration certain facts relating to deceased persons, is amended so as to read as follows : Section 3—A physician who has attended a person during his last illness shall, when requested forthwith furnish for registration, a certificate stating, to the best

of his knowledge and belief, the name of the deceased, his age, the disease of which he died, the duration of his last sickness and the date of his decease. If a physician neglects or refuses to make a certificate, as aforesaid, he shall be punished by a fine not exceeding fifty dollars.

Sec. 2.—Section 5 of said Chapter, prohibiting the burial or removal of a human body until a proper certificate is furnished, is amended so as to read as follows: Section 5—No undertaker, sexton or other person shall bury in a city or town, or remove therefrom the body of a deceased person, until he has received a permit so to do from the Board of Health or its duly appointed agent, or if there is no Board of Health in such city or town, from the City or Town Clerk. No such permit shall be issued until there has been delivered to such board or agent, or clerk, as the case may be, a satisfactory written statement containing the facts, required by this chapter to be returned and recorded, together with the certificate of the attending physician, if any, as required by section 3 of this chapter, or in lieu thereof a certificate as hereinafter provided. If there is no attending physician, or if the certificate of the attending physician cannot be obtained, for good and sufficient reasons, early enough for the purpose, the chairman of the Board of Health or any physician employed by a city or town for the purpose shall, upon request of said Board, Agent or Clerk, make such certificate as is required of the attending physician; and in case of death by violence, the medical examiner shall, if requested, make the same. When such satisfactory statement and certificate are delivered to the Board of Health or its Agent, the Board or Agent shall countersign and transmit the same to the clerk or registrar for registration.

The person to whom the permit is so given shall there-

after furnish for registration any other information as to the deceased or to the manner and cause of the death, as the Clerk or Registrar may require. Any person violating any of the provisions of this section shall be punished by a fine not exceeding fifty dollars.

Approved May 4, 1888.

Respectfully submitted,

WALTER S. KEENE,
GEORGE F. BUTTERFIELD,
WILLIAM H. SPRAGUE,

Board of Health.

REPORT

OF THE

SUPERINTENDENT OF STREETS.

TO THE HONORABLE BOARD OF SELECTMEN :

Gentlemen :—I respectfully submit to you my annual report of the Highway Department for the year 1893.

The following streets have been repaired and left in good condition :

MARBLE STREET.

This street was macadamized from near the house of Michael Kenney to a point near the house of S. G. Chauncy ; also laid tile pipe about the same distance in the ditch on the south side of the street : filled up to grade, or nearly so, for sidewalk, and filled holes the remainder of street.

WRIGHT STREET.

Repaired the street and sidewalk near estate of S. C. Whitney ; also cleaned the gutters the length of the street, and opened the mouth of the culvert near the residence of J. F. Berry.

MONTVALE AVENUE.

This is a very bad street to keep in repair, although there has been a large amount of work done each year the street is still in bad condition. The gutters were cleaned out and the street thoroughly repaired with crushed stone and gravel before the heavy rains in the summer, but the work had to be nearly all done over on account of washouts.

To save constant work on this street there should be a man-hole put in between the railroad tracks on Main street, opposite the house of Martin Mullaly, so that the water which runs from Central Square could enter the culvert at this point. Also two sets of catch basins to take the water from the gutters and the railroad track, and run the same in tile pipe to the culvert at the foot of the hill; also cut the trees in the centre of the gutters, and pave the gutters with stone or concrete.

CHESTNUT STREET AND CEDAR AVENUE.

These streets were badly washed during the heavy rains, and were repaired and left in fair condition. They need three catch basins to take the surface water.

COTTAGE STREET.

This street was in very bad condition. We repaired it with crushed stone and gravel between Montvale and Flint avenues, and built the sidewalk on the east side; also repaired the street from the foot of the hill to William street, and built the sidewalk on the south side; also put in a stone culvert. This street was left in good condition.

WEST STREET.

This street was repaired from near residence of T. B. Hadley to William street with stone and gravel.

WILLIAM STREET.

This street was in bad condition; very little work has been done on it for years. Cleaned out the gutters, shaped up the street, and built a stone culvert near the house of Mr. Slayton.

OAK STREET.

There was a special appropriation of \$300 for the purpose of widening this street, part of which was used for that purpose; the remainder was used in rebuilding and widening the bridge, which it was necessary to do on account of its being blown up with dynamite the 4th of July. This job was not completed for lack of money; four or five more covering stones and from twenty to twenty-five loads of gravel are yet needed to complete the bridge.

MAIN STREET.

Very little has been done on this street, except cleaning the gutters and shaping up the street at the north end and Rowe's Hill, and putting in tile culverts near the Reading line, and one at the foot of Rowe's Hill.

COLLINCOTE STREET.

Shaped up and cleaned gutters.

WAVERLY STREET.

Shaped up and cleaned gutters spring and fall.

HIGH STREET.

Cleaned gutters and shaped the street between residence of W. S. Keene and Elm street. Also repaired the washouts after the heavy rains. Cleaned the gutters and repaired the street from Farm Hill to the Wakefield line and left in good condition.

BROADWAY.

Cleaned gutters and repaired from Wakefield line to Main street, and left in good condition.

ELM STREET.

Cleaned gutters and did some repairing on street and sidewalk, but very little to what was needed.

GREEN, PROSPECT, MT. PLEASANT, WASHINGTON,
POMEWORTH, CHARLES AND MYRTLE
STREETS.

On these streets the gutters were cleaned, the stones removed, and the streets left in good condition.

TREMONT STREET.

Cleaned the gutters and rounded up the street; put in two catch basins on the corner opposite house of Mrs. Dempsey, and laid tile from them through her land to brook.

AVON STREET.

Repaired street and sidewalk, and relaid two culverts.

SPRING STREET.

Cleaned gutters, removed stone and relaid one culvert.

SUMMER STREET.

Cleaned gutters, removed stone and repaired the street. The special appropriation of \$300 for removing the ledge was not sufficient to complete the work; the drilling and blasting was done and part of the ledge removed. Should think \$150 more would finish work on ledge, build a sidewalk, and put a tile culvert across the street.

FRANKLIN STREET.

Cleaned the gutters the whole length of the street ; removed ledge opposite Mr. Outram's ; built sidewalk from Highland Avenue to Emerald Court on one side ; relaid wall at the end of culvert below Walsh's greenhouse, laid wall 2 1-2 feet deep on top of old wall whole length of causeway this side of Emerald Court. Will need as much more another Spring.

WOODLAND AVE. AND WASHINGTON STREET, NEAR
RED MILLS.

Cleaned gutters and did what repairing was necessary.

RAVINE ROAD.

Made heavy fill in hollow nearly opposite the Langwood Hotel ; gravelled the balance of the way to the Melrese line ; relaid one stone culvert ; also put in the culvert on the south side of the street.

HILL STREET.

Relaid stone culvert.

HANCOCK STREET.

Cleaned gutters and relaid culvert near Mr. FitzGerald's

EVERETT STREET.

Cleaned gutters and put in two catch basins ; laid tile from near Mr. Hawkins' side and from catch basins to ditch on Mr. Doherty's side.

GILMORE STREET.

Cleaned gutters and repaired culvert in the yard of W. W. Child.

ALBION AVENUE.

Laid tile about 190 feet to drain water from pond back of buildings of James McHale.

HIGHLAND AVENUE.

There was a special appropriation of \$300 for this street ; we finished laying the wall, put up rails on both sides near Franklin street ; the balance of the money was used in graveling, and the street was left in as good condition as could be expected with the money we had to lay out.

CENTRAL STREET.

Cleaned the gutters, put in one catch basin near the corner of Pleasant street, and partly relaid the stone bridge below Elm street that was put in last year, and paved underneath the balance of it. Cleaned the ledge at the crusher, drilled and blasted.

Found about 100 tons of stone at the crusher, and leave nearly 1200 tons.

Cleaned a ditch from Main street to Lyman Dike's farm. There are many more streets where the gutters have been cleaned, and the streets repaired more or less.

Number of catch basins put in	9

13 Elbows different sizes.

I have received for stone, etc.....	\$267.42
Have paid bills amounting to.....	60.13

Leaving a balance.....	147.29
------------------------	--------

The above balance I have applied on my account.

The following bills are outstanding against the department :

W. E. Clark.....	52.25
W. A. Manzer & Son	10.55
James Forrest	9.25
M. V. R. Williams.....	46.20
W. F. Wheeler, labor and help paid.....	325.25
Less balance above... ..	147.29
	<hr/> 177.96

At the beginning of the year there was outstanding bills which were paid from this appropriation amounting to.....	65.53
The amount of bills paid for material, etc.....	1098.17

In conclusion, I wish to thank your Honorable Board for your hearty co-operation; the Chief of Police and other officers for their promptness in reporting defects in highways, the citizens of the town for help rendered, and to our late fellow townsman, George H. Putney in particular, for his gratuitous aid in blasting.

I remain your obedient servant,

W. F. WHEELER,

Superintendent of Streets.

REPORT

OF THE

CHIEF OF POLICE.

To the Honorable Board of Selectmen :

Gentlemen :—I submit the following report of the work of the Police Department for the year ending January 31st, 1894 :

Rix L. Newton, Chief.

REGULAR PATROLMEN.

John C. C. Small, James J. Scalley,
Ernest F. West.

Number of Arrests,	136
Males,	132
Females,	4
Residents,	42
Non-Residents,	95

CAUSE OF ARREST.

Dead Bodies Cared for	1
Fire Alarms,	1
Lost Children,	12
Nuisances Reported,	11
Officers at Fires,	36
Sick and Disabled People Assisted,	9
Stray Teams Cared for	7

I would say, in closing this report, it is a wonder there are so few crimes committed when you take into consideration the large number of idle men roaming about the country. We have had more tramps apply for lodging the past few months than ever before.

In the early fall there was a number of stores broken into. We went to work on the cases and succeeded in bringing seven of the guilty ones into court, and they were taught a lesson they will not soon forget.

I have endeavored to stop the illegal sale of intoxicating liquors, and with the able assistance of the other officers have used forty-two search warrants, and brought twelve parties into court, who were convicted and fined, some of them very heavily—the last three paying fines amounting to four hundred and twenty-five (\$425) dollars. We have closed up two of the worst places (places that the officers have watched and raided for years) and drove the parties out of town. The whole amount of imprisonment imposed amounting to fifteen years, four months and fifteen days.

Considering the hard times we have collected a large amount of fines the past year, amounting to one thousand two hundred and fifty-eight (\$1,258) dollars—one thousand one hundred and eighty-three (\$1,183) dollars of which I have drawn and paid to the Town Treasurer. I find, in looking over the police account, bills amounting to one hundred and fifty-nine (\$159.94) dollars and ninety-four cents, that should have been paid out of 1892 appropriation.

There has been quite a lot of police goods purchased the past year, so the department at the present is well supplied.

There were no dogs killed the past year, as there was no dog warrant issued.

The lockup has been remodelled, piped, painted, and a cement floor has taken the place of the old decayed wooden one the past year; it was never in so good condition as at the present time, and any one that is unfortunate enough to be locked up will be kept warm and as comfortable as possible. We have not as many officers as we ought to have for a town of this size. It is rutable to have one regular officer to every one thousand inhabitants—that would give us six regular officers, but at the present rate of taxation I would not recommend putting them on this year.

Respectfully submitted,

RIX L. NEWTON,

Chief of Police.

Stoneham, January 31, 1894.

REPORT

OF THE

KEEPER OF LOCKUP.

.....

TO THE HONORABLE BOARD OF SELECTMEN :

Gentlemen :—The following report is respectfully submitted. Number cared for in the lock-up for the year ending January 31, 1894 :

Lodgers	164
Prisoners	111
Total	<u>275</u>

Respectfully submitted,

RIX L. NEWTON,

Lock-up Keeper of Stoneham.

REPORT

OF THE

Overseers of the Poor.

TO THE CITIZENS OF STONEHAM :

The services of Mr. and Mrs. J. G. Stiles as Superintendent and Matron of the Almshouse and Farm were again secured, and we are pleased to report that they continue to give satisfaction, and feel proud in saying that under their management our Almshouse ranks second to none in the State.

The practicability of building a silo has been considered for several years, and it was decided to test the use of ensilage as a milk producer. We therefore, at an expense of a little over one hundred dollars have built a silo on the westerly end of the barn, which was filled in the fall, and we find the quantity of milk increased, grain bills less, and a larger amount of hay on the scaffolds, and we believe that it will be a good investment for the town. The whole number provided for at the Farm the past year has been twenty. Of this number three have been discharged, two have died, and in accordance with the law passed at the last session of the legislature the two Dum boys were placed out to board, which leaves the present number at thirteen. The average age of these being more than sixty-one years, as shown in annexed table.

OUTSIDE AID.

The calls for outside aid have not been so numerous as was to be expected, considering the stringency of the times, and the large numbers of persons unemployed during the past year, and it certainly shows a goodly number of our working people have in times past laid aside a portion of their earnings for a rainy day. But had it not been for such benevolent associations as the Kings' Daughters and those connected with the Churches and other organizations, the expense to the town must have been much larger. Perhaps it would not be out of place for your overseers to suggest the propriety of the officers of the several benevolent associations holding a conference with the Overseers of the Poor relative to a better understanding of the numerous cases which are brought to their attention, thereby giving to each association a better chance to bestow its charity to deserving persons.

INSANE.

These unfortunates, although not numbering as many as at the beginning of the year, are still a large expense to the town. The whole number in the several institutions at the present time is fourteen. Of this number the support of six is paid by friends, which leaves eight to be provided for by the town, viz :

Mary Russell, at Worcester.

Ellen Daley, at Danvers.

H. Porter Heywood, at Danvers, paid from soldier's relief.

Hattie Chase, at Danvers.

James H. Foley, at Danvers, paid from soldier's relief.

Wayland W. Elliott, at Danvers.

Wm. J. Theobald, at Danvers.

Charles Doty, at Danvers.

TRAMPS.

This class of poor, although nearly double the number of last year, is much smaller than in most of our adjoining towns, who have provided for from four hundred to six hundred each, while only one hundred and sixty-four accepted the accommodations afforded them by our efficient Police Department, and at a cost of only forty-one dollars.

TOWN PHYSICIAN.

The services of A. H. Cowdrey, M. D., were retained as Town Physician the past year, and all cases called to his notice have been promptly and carefully attended to. A detailed account of this important position will be found in his report.

REPORT OF TOWN PHYSICIAN.

To the Overseers of the Poor:

Gentlemen:—I would submit the following report for the year ending February 1, 1894.

We have been fortunate the past year in having few cases of severe illness at the Farm, and less sickness than usual. Am glad to endorse what was said in report of last year concerning the Matron. She has proved herself well fitted for the position, doing everything in her power to make the inmates happy and contented.

POOR FARM.

No births.

1 death.

67 visits.

OUTSIDE POOR.

No births.

No deaths.

143 visits.

15 office calls.

Yours respectfully,

A. H. COWDREY, M. D.

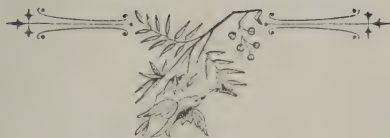

THE FARM BUILDINGS.

The Almshouse should be painted on the outside the ensuing year, and that portion of the barn which was built several years ago needs to be shingled, but owing to the depressed condition of business and the present large tax rate your Overseers will forego asking for an appropriation for that purpose this year.

Respectfully submitted,

W. WARD CHILD,
J. G. BEEDE,
SILAS DEAN.

Overseers of the Poor.

REPORT
OF THE
SCHOOL , , COMMITTEE
OF THE
TOWN OF STONEHAM.

1893-94.

REPORT.

TO THE CITIZENS OF STONEHAM :

The report of the School Committee for the year 1893-94 is herewith respectfully submitted :

Good order has generally prevailed, but there have been one or two exceptions to this rule. Much work needs to be done to counteract the evil effects of street education. This fact is evident to any one who sees boys and girls ten years of age and younger, wandering in the streets and standing on street corners at eight and nine o'clock in the evening.

The character that children form while at school depends, in a large degree, upon the character of their teachers ; truthfulness, honesty and loyalty can be successfully taught only by those teachers who are themselves truthful, honest and loyal.

The schools have had more than the usual number of interruptions from absences of the regular teachers, but we have had the good fortune, in all but two instances, to secure the services of experienced teachers as substitutes. Those who have served in this capacity are Mrs. R. J. Dike and Mrs. A. J. Keenan in the Third Grammar, Mrs. M. A. Sweetser in the East Upper Primary, Mrs. Carrie B. Smith in the Central Upper and Lower Primaries, Miss Elmor A. Tarbett in the North Lower Primary, and Miss Ione P. Johnnot in the East Lower Primary.

In the resignation, a year ago, of Mrs. A. J. Keenan, the East Intermediate School lost an excellent teacher, who had faithfully devoted herself to the best interests of her pupils. Miss Florence M. Lahey was, at her own request, transferred from the Central to the East Intermediate, and Miss Nellie B. Cutter, of the North Street School took charge of the Intermediate School at the Centre. Miss S. Nettie Dike was elected teacher of the North Street School.

Miss Elinor K. Bruce, an efficient teacher in the High School, resigned in the summer, to begin what it is hoped, will be a long term in more congenial relations. Her resignation was tendered at the special invitation of a member of the School Committee, who is wholly responsible for the loss which the school thereby sustained. What is a loss to the school is a gain to him.

Miss Minnie A. Nichols, a graduate of Boston University, was elected to fill the vacancy caused by Miss Bruce's resignation. Her work has begun very successfully.

The generosity of the town enabled us, at the beginning of the school year in March, to employ an additional teacher in the High School, with special reference to the scientific department. In Miss Mary S. Bingham, who was elected to this position, we have an experienced teacher who is competent for the work she has undertaken; such an addition to our corps of teachers is of great advantage to the school.

During the time occupied by the boys in military drill the girls receive lessons in physical culture. This subject has just been introduced through the energy and enthusiasm of Miss Barbour, who has fitted herself for this special work. The exercises are given in the hall of the High School building, which has been restored to its former condition and is once more available for musical and other general exercises.

The course of study in the High School has been somewhat changed. Special attention is given to English during every year.

The High School Cadets meet for drill on Mondays. The time thus occupied is one hour. The drill takes place either on the school-house grounds or at the Armory, the place depending on the season of the year.

Capt. S. G. Sweetser resigned the position of Military Instructor in June, and Lieut. Philip J. Flanders took his place. The whole number belonging to the battalion is forty-five, composed of members of the High and the First Grammar schools. The Roster is as follows : Capt., J. Alfred Patch ; First Lieut., John F. Murphy ; Second Lieut., Herbert H. Richardson ; Sergeants, Charles E. Canty, Wm. Parker Jones, Edward Doucette, Archie L. Peirce, G. Roy Perry ; Corporals, Frank A. Wilkins, Albert S. Woodward, Lawrence Purtell.

The members of the Junior Class issued Jan. 1, 1894, the first number of "The Authentic," a very creditable journal, "published in the interests of the Stoneham High School," with the following staff of editors : Editor-in-chief, Morton A. Sturtevant ; Assistant editors : Helen B. Stevens, V. Ona Frederick, Mary F. Yeaton, Alice H. Smith, Mary A. Emerson, J. Alfred Patch, Herbert H. Richardson.

The harmony that for several years has existed among the teachers of the Grammar School still exists, and it is worthy of special notice. This circumstance has been of great advantage to the school, and has kept it in excellent condition, even in the midst of the confusion caused by changes in the other schools in the building.

One division of the third class has been removed to the new school-house, and the other division will probably fol-

low next summer. In this class those pupils who have been able to do more than the regular work have been encouraged to advance as far as they could do so with thoroughness, so that some will possibly do the work of three years in two years. It is too early to predict the result of this experiment.

The perplexing question of discontinuing the Wyoming School must soon be met. At present the school has but eight members; there will probably be two in addition to these at the opening of the spring term. The cost of conveying these children to the South school-house twice a day would probably equal or exceed the cost of supporting the school. It would be less expensive to have them brought to school in the morning and returned to their homes at the close of the afternoon session: but, in such case, they would be obliged to remain at the school-house during the noon intermission. The subject is now under consideration by your committee.

The census enumerator, Mr. Walter Paige, reported 763 children in town, between five and fifteen years of age, May 1, 1893. As this number is nearly one hundred less than the smallest number any year for the past seventeen years, and almost two hundred less than in May, 1891, it seemed that some names had been omitted. We have revised the list by making a list of the names taken in May, 1892, which were not recorded in May, 1893, and learning how many of these children were residents of the town in May, 1893. This revision shows that 151 names, at least, must be added to the number reported. The result of this addition is 914, which is as near an approach to the correct number as we can make.

During the summer, the Town Hall building was remodelled into a school-house, which furnishes six school

rooms. This improvement is highly appreciated by the teachers and pupils of the Central Primary schools. These schools have had poor accommodations for many years; two of the rooms which they occupied were very small, and one of these was wholly deprived of sunshine. The eastern and western rooms in this newly arranged building are satisfactory, except that there are no book closets, but the middle rooms are not well lighted. The corridors are flooded with sunshine, and it seems a pity that the upper part of the partition separating the middle rooms from the corridors is not of glass, like the partition similarly situated in the school-house at Lexington, which suggested the plan adopted by our building committee. For some unexplained reason this essential feature is lacking. The plan which the school committee were invited to examine seemed to provide for sufficient light in all the rooms.

A special appropriation will be needed for out-buildings, which were ignored in the remodelling of the house, probably from lack of funds.

A school-house is an unsuitable and inappropriate place for a lock-up, and we hope that the time is not far distant when another place for it will be found. It does not interfere with the schools, but it increases the janitor's work, for he must see that the temperature is comfortable, and he must keep his fires during the school vacations, in the season of fires.

The same cannot be said of the room in the basement occupied by the engine company, for this does interfere with the school directly above it. In this school, the study of physiology with reference to the use of stimulants and narcotics, can be, in part, object teaching. Tobacco smoke is furnished without cost to the town, since it issues from smoke pipes of private individuals in the engine room and finds its

way to the school-room above in very perceptible quantities through the open spaces around the steam pipes.

The recent painting operation in the engine room made it necessary to close the school for a few hours, but as this is not a chronic trouble, and will not probably occur often, it could be borne with patience. With all due regard to the engine company, who help insure the public safety, and who deserve a better place, we shall rejoice when we can witness preparations for their departure from their present quarters in the school-house to some place where they can have better accommodations.

With the exception of the re-modelling of the Town House, no special repairs have been made the past year.

There is need of concreting around the North school-house and in the yard. The quantity and consistency of the mud is such as to draw off the overshoes of the little children, and it is a source of great annoyance. It is unavoidably carried into the halls and school rooms, furnishing one of several reasons why the floors are never clean. The lower rooms need new floors, as the present ones are nearly worn out.

The Wyoming school-house needs shingling, and there are the usual black-board repairs to be made.

In conclusion, your committee respectfully recommend for the coming year the following appropriations :

For instruction, fuel, and care of houses.....	\$15,200
“ incidentals, books and supplies.....	2,600
“ music.....	400
“ shingling the Wyoming school-house.....	80
<hr/>	
Total	\$18,280

REPORT

OF THE

ENGINEERS OF FIRE DEPARTMENT.

.....

To the Honorable Board of Selectmen:

The Board of Engineers of the Fire Department respectfully submit the following report for the year ending January 31, 1894:

The department has been called out twenty times.

March 18, box 63. For a fire in a building on Block street, owned by C. B. Melvin, and occupied by R. D. Wall, T. T. Marston and T. McIntyre. Loss on building \$42, covered by insurance; on contents \$35, not insured. Cause of fire, sparks from chimney.

March 18, box 54. Fire in a hen house on Elm street, owned by Henry Lamb and occupied. Loss on building and contents \$45. No insurance. Cause of fire, explosion of lamp.

April 11, box 28. Fire in woods south of Spring street. No loss. Cause of fire unknown.

April 14, box 62. Fire in woods between Spring and Franklin streets. No loss. Fire caused by workmen burning brush.

June 10, box 62. Fire in woods east of Woodland Road. No loss. Cause of fire unknown.

July 1, box 63. Fire in Dow's Block, Central Square. Loss on building \$360; on contents \$718.15; fully insured. Cause of fire unknown.

July 3, box 44. Fire in a stable on Montvale avenue owned by heirs of B. F. Richardson, Jr., occupied by C. Child and J. W. MacDonald. Loss on building and contents \$50. No insurance. Cause of fire unknown.

July 3, box 45. Fire in an unoccupied dwelling house on William street, owned by A. V. Lynde. Loss \$300, covered by insurance. Cause of fire incendiary.

July 8, box 35. Brush fire on Park street. No loss. Cause of fire unknown.

July 12, box 53. Fire in the factory of G. H. Eaton & Co., on Pomeworth street. Owing to delay in giving the alarm and to the high wind which prevailed at the time, this building was doomed before the department reached the scene. We therefore devoted our efforts to saving the surrounding buildings, which we succeeded in doing with the exception of the two nearest, which were partially destroyed. Loss on buildings \$4,500; on contents \$38,758. Fully insured. Cause of fire, accidental breaking of lamp in hands of workman.

September 26, box 63. Fire in the buildings on Main street owned by T. G. Durkee estate; also one owned by J. B. Heath. Fire originated in the building occupied by T. R. Symmes as a bakery. Loss on buildings \$1,535, covered by insurance; on contents \$2,509.75, partially insured. Cause of fire defective chimney.

November 12, box 45. Fire in building on Oak street, owned and occupied by Farm Hill Gun Club. Loss on

building and contents \$28, covered by insurance. Cause of fire incendiary.

November 13, box 53. False alarm given by parties unknown.

November 17, box 44. Fire in barn of P. Finnegan on Wright street. Loss on building \$300; insured. On contents \$75; no insurance. Cause of fire unknown.

November 18, box 28. Fire in woods south of Spring street. No loss. Cause of fire unknown.

November 26, box 62. Fire in woods south of Franklin street. No loss. Cause of fire unknown.

December 9, box 44. A needless alarm given by a person who thought the Congregational church to be on fire.

January 7, box 63. Fire in a building on Wright street, owned by heirs of T. G. Durkee. Loss \$5; no insurance. Cause of fire incendiary.

January 7, box 44. Fire in an unfinished house on Flint avenue, owned by Victor Duplin. Loss \$8, covered by insurance. Cause of fire incendiary.

During the year property to the value of \$114,388.57 has been endangered by fire. On it there has been a gross loss of \$50,041.35. Insurance has been recovered to the amount of \$46,318.10, leaving a net loss of \$723.25.

There has been used at fires during the year 19,350 feet of hose and 967 feet of ladders.

There has been added to the department 1000 feet of hose, one insulated wire cutter, for cutting electric light or other wires, one double hydrant gate, one hose pipe, four rubber coats, two hydrant wrenches, six spanner belts and twelve spanners.

We have had the houses of the several companies thoroughly renovated and repaired inside, and would be

pleased to have the citizens of the town inspect them at any time.

We have also had the harness used on the steamer horses swung in the house, making a difference of several minutes in hitching up.

We would recommend that a committee be chosen at the annual town meeting to consider the advisability of erecting a central fire station, and report at some future meeting.

We would also recommend that the house of Hose Co. No. 3, be painted outside.

We wish to again thank the members of your honorable board for the assistance and encouragement given us in the discharge of our duty during the year.

To the officers and members of the several companies we extend our sincere thanks for the willing and efficient manner in which they have performed their duty.

Our thanks are also due to the police department for the aid rendered by them at fires, and to the citizens of the town for the generous support given by them during the year.

We also wish to thank those citizens who adopted the suggestion embodied in our last report in regard to notifying us of brush fires instead of pulling in an alarm, and would request a continuance of the same.

G. E. STURTEVANT,
J. A. LACLAIR,
L. F. BRUCE.

Engineers Stoneham Fire Department.

REPORT

OF THE

TRUSTEES OF LINDENWOOD CEMETERY.

.....

STONEHAM, February 1, 1894.

To the Citizens of Stoneham:

The Trustees of Lindenwood Cemetery herewith submit their annual report:

The general appearance of the cemetery is improving every year. The number of people who believe in having their lots taken care of after they are laid to rest are increasing every year.

There has been deposited with the Town Treasurer for perpetual care of lots the past year the sum of \$310.

There has been expended for care of lots, for which a deposit has been made with the Town Treasurer, \$35.00.

We would recommend that the town raise and appropriate the sum of five hundred (\$500) dollars for the general care of the cemetery for the ensuing year.

REPORT OF TRUSTEES OF LINDENWOOD CEMETERY. 121

We have received for lots the past year.....	\$496.00
“ “ single graves.....	40.00
“ “ grass	5.00
“ “ wood	55.79
	<hr/>
	\$596.79
	<hr/>

Which has been turned in to the Town Treasurer.

The annual appropriation..... \$500.00

We have expended the past year in care of the
grounds and new tools \$499.48

Unexpended..... 52

At the town meeting held March, 1893, it was voted that the Trustees be a committee to erect a suitable entrance to the cemetery in place of the one that was destroyed by fire in July, 1892, and the sum of \$1,215 to accomplish the same.

The Trustees have attended to that duty, and contracted with Lahey Bros. to build the posts
for \$997.00
Extra work. 12.00
J. Grant, for grading..... 44.72

\$1,053.72

Balance unexpended..... \$161.28

Respectfully submitted,

W. WARD CHILD,
O. GILMORE,

CHARLES C. DIKE.

Trustees.

REPORT

OF THE

TRUSTEES OF THE PUBLIC LIBRARY.

To the Citizens of Stoneham:

The Trustees of the Public Library herewith present the following report :

“Running as usual, much the same.”

Oliver Wendell Holmes, on quite a different occasion, has used the expression which, in a few words, describes the condition of the library at the present time.

There is little of novelty and change to record in the annals of an old institution, one year being very much like another. Its success and usefulness are already assured, and there is no longer any doubt nor suspense in regard to them. If from any cause we should be deprived of our library we should feel that we have been robbed of a necessity rather than a luxury, for we had become so accustomed to the advantages of advancing civilization that we can scarcely imagine existence without them, and accept without a thought the gifts of which our great grandfathers would hardly have dared think in their wildest dreams.

The selection of books for a library which must supply the needs of all classes, and satisfy so many different tastes is not so simple a matter as some may think. The Trustees, as usual, have acted according to their best judgment in that direction. An unusually small sum has been expended for the purchase of books during the past year, and on that account we feel that some of the departments have been scarcely kept up to the demands of the times. We occasionally hear of people who are dissatisfied with the books placed in circulation, because they are not of the class which they wish to read, but it must be remembered that while the library is used by most people as a source of recreation, it has a no less important function in offering a means of education to those who wish it. Every boy and girl on leaving school should continue his studies by means of this opportunity afforded him. School teaches one how to study and to learn, so that he may continue the work by himself after he ceases to have a teacher to direct. All young people should each year read some books for profit instead of all for pleasure, and, by so doing, the books which are now pronounced dry and stupid would be valued at their true worth, and many of those which had been considered so delightfully exciting and thrilling would taste decidedly insipid. A taste for good reading can be cultivated. "Nothing enervates and weakens the powers of the mind more readily than the constant reading of trash and foolish literature." It would be as easy to build up a sound body by living on whipped cream and such dainties, as to form a strong and well-balanced mind by the exclusive perusal of light literature. Books, like companions, must be chosen.

For nearly twenty years the position of librarian has been filled by Mrs. M. H. Boyce, and we feel that we cannot overestimate the value of her thorough and systematic

management. She has been ably assisted during a larger part of the past year by Miss Emma Chubbuck.

The old stove, which formerly stood like a grim sentinel in the centre of the room, has ceased to keep ward and watch, and now the heating of the library apartment is done by means of the more modern steam arrangement. An improvement surely both in regard to comfort and appearance.

One thing most devoutly to be wished is, that a little more care might be exercised in the use of the books. Of course, being read and handled by so many different people, they necessarily become much worn in a short time, but some volumes, even before they are much worn, are so badly soiled and often defaced by scribbling, that it is unpleasant to read them. A little more thoughtful care in the treatment of them would add materially to the cleanliness of their appearance.

The Trustees would recommend that for the coming year a fixed sum be appropriated for the incidental expenses of the library. The custom of setting apart the dog-tax for that purpose causes much uncertainty and trouble on account of the variableness of the amount. This year it was quite inadequate to defray the incidental expenses, and in the present condition of affairs, not wishing to overdraw the appropriation, more than one half the money allowed for the purchase of books has been left unexpended in the treasury. It seems highly important that some definite steps should be taken in the matter.

All the frequenters of the library must have felt long before this the urgent need of a new catalogue. Much time and money are required to make one, classified and suitable for the present demands, and the Trustees would request that the usual sum of four hundred (\$400) dollars be appro-

priated for the purchase of books, allowing them to use a part of it in the preparation of a new catalogue.

The following is a list of statistics compiled by the librarian :

STATISTICS.

Number of books in circulation	8,325
Law reports, public documents, magazines, etc.	996
No. of books purchased during the year	226
No. of books loaned during the year	22,705
Largest number loaned in one day, Feb. 25	470
Smallest number loaned in one day, July 22	100
No. of persons taking books	945
“ “ books now out	129
“ “ “ replaced and duplicated	60
“ “ “ rebound	726
“ “ catalogues sold	22
Incidental expenses	\$14.42
Money taken for fines and catalogues	\$70.73

REPORT

OF THE

TOWN HALL COMMITTEE.

Fellow Citizens:—Once more your committee chosen to recommend lots, procure plans for town hall and public library building, and remodelling and changing the old town hall for school purposes, respectfully submit to you the results of their work to the present time.

In accordance with the vote of the town we procured plans and contracted for the alterations of the old town hall building, and had the work completed at a cost of six thousand five hundred sixty-seven dollars and seven cents, the several items of which will be found in the auditors' report, this being thirty-two dollars and ninety-three cents less than the amount appropriated. We think that four of the rooms are as good if not the best school rooms in the town, the heating and ventilating being superior to the others. The two middle rooms are equally as good as the others with the exception of the light, which on account of their location in the centre of the building, must receive the light mostly from one side. These, however, are much superior to what they were originally. We believe the citizens of the town will never regret making the change.

As to the selection of lots for a new town hall, we have nothing to add to our previous reports.

We secured the passage of an act last winter authorizing the town to incur indebtedness in excess of the limit fixed by law, which has not as yet been accepted by the town.

We also examined several buildings and plans, and ascertained about what the expense would be for a building having the capacity and conveniences required, and we find the cost of buildings, independent of the land, would not be less than seventy-five thousand dollars. This, together with the cost of land and incidental expenses, would bring the total cost up to one hundred thousand dollars, and we feel disposed to refer the whole matter back to the voters of the town, to decide whether it would be wise, in view of the present stagnation in business and high rate of taxes, to take any immediate action upon the matter.

There is, however, another method which has been recommended by several persons, and which we have examined quite thoroughly, but do not make any recommendations. It is that the town purchase the Armory and finish a hall and ante-rooms, put in steam heat, and also improve the basement for storage purposes. This can be done at an expense of not exceeding ten thousand dollars, and we leave it for you to decide whether or not to do this and postpone the building of a town hall for a few years.

Town Hall Committee.

REPORT

OF THE

PARK COMMISSIONERS.

TO THE CITIZENS OF STONEHAM :

At the last annual meeting, the town refused to make any appropriation for the Public Park, which placed the Commissioners in a very embarrassing position. The Appalachian Club had appropriated three hundred dollars for the erection of an observatory on the summit of Bear Hill, with the understanding that this was the limit which they could spend, and with the assurance that the town would bear the expense of painting it. The entire cost of the observatory, including the painting, was three hundred eighty-eight dollars and fifty cents, so there was a deficiency of nearly one hundred dollars, which in some way the commissioners were in honor bound to meet, even if they should pay it themselves; but a few public-spirited citizens subscribed the necessary amount, and saved the good name of the town. A small balance now remains in our hands which it was intended to use in trimming up paths and clearing away under-

brush. Recent events will probably render the latter expenditure unnecessary. The observatory has proved a great attraction and been visited by large numbers of people. From its summit is obtained the best view of almost the entire Fells district. As our last report anticipated, the bill establishing the Metropolitan Park Commission, and giving them authority to take land, was enacted at the last session of the legislature. In fulfilment of their powers they have taken about sixteen hundred acres in the cities of Malden and Medford and the towns of Winchester, Stoneham and Melrose, exclusive of the land taken and purchased for water purposes and our own public park, over which we still retain control. Six hundred and fifty acres is approximately the amount taken in Stoneham. The land taken embraces the wild rugged territory known as the Middlesex Fells, and when developed, and traversed with roads and paths will be one of the finest natural parks in the country. It is intended to construct a wide boulevard around the park which will probably connect with another one uniting Stoneham and Boston. Beginning at the westerly end of South street, the line follows the projected new road to Winchester, till it reaches a point northwesterly of Bear Hill, near the barn of Col. Dike, then turning to the south and bearing to the west, it divides the low meadow land of Col. Dike on the north from the high rocky land on the south, passing on into Winchester nearly to Highland Avenue, where it turns to the south and continues on to a point in Medford, about opposite the south end of the Winchester South Reservoir. From here, in an easterly direction it makes in a straight line for the southerly side of Pine Hill in Medford and the Andover Turnpike. From thence it follows the course of the Turnpike northerly to Elm street, and northeasterly by Elm Street to Highland Avenue, down the latter avenue

a short distance when it bears more easterly and sweeps around to the north near Oak Grove, taking in the "Bear's Den" so called, one of the observatories in Malden, and the Cascade in Melrose at a point near the Rubber Works. Thence the course is northwesterly to Washington Street in Melrose, across the street northerly to Wyoming Avenue, then westerly by Wyoming Avenue to the town line dividing Melrose and Stoneham. From this point the course follows northerly the town line towards Green Lane, and then sweeps around westerly and northwesterly to the water reservation at Doleful Pond, approaching the southerly edge of Davis Plain, taking in Whip Hill and reaching Pond Street easterly of the house of Henry S. Ames. Thence the line follows Pond Street westerly to the point of beginning. Out of this description there is of course excepted, what is now owned by the various municipalities, but all of which will probably be ultimately embraced within the park, and under the control of the commission. There are also excepted the houses on the easterly side of Woodland Road and the bulk of the Langwood estate.

The amount of taxable property taken has been estimated to be of the assessed value of about eighty thousand dollars. We are now trying to negotiate with the Metropolitan Park Commission to assume the care and control of our own park, on such terms as shall be advantageous to the town, and hope to be able to lay before the town a definite arrangement at the March meeting. Very soon the commission, with our concurrence, will begin work in trimming paths and clearing up underbrush on and about Bear Hill, where quite a body of men will at once be employed.

The deeds have been prepared, releasing our rights to Melrose, Medford and Malden, in Great Island and the land bought of Elbridge Gerry. The papers will probably pass

within a few days, when we shall receive the principal and interest paid by us for them. At the same time the three municipalities will release to Stoneham, the land on the westerly side of Main Street taken for park purposes, reserving however, a right of way over the same.

Respectfully submitted,

JOHN HILL,
WILLIAM H. MARDEN,
W. B. STEVENS,

Park Commissioners.

TOWN TREASURER'S REPORT.

Fellow Citizens :

Two facts are particularly noticeable in balancing the Town's accounts for the year, viz :

The remarkably small balance of cash on hand, and the very large amount of notes outstanding in anticipation of 1893 taxes.

This condition of affairs has been brought about by an apparently very simple matter, namely, appropriating funds from the treasury in place of raising by taxation, (noticeably in the matter of "Town Hall School House.")

I have called your attention to the danger and probable results of this practice in a previous report, and would most respectfully submit for your consideration the figures above referred to, as a practical illustration of its workings. I am convinced that no further comment is necessary.

Our debt has not been decreased the past year, no appropriation having been made on account of other large expenditures. A note for \$5,000 became due, however, and it was paid by borrowing this amount for a short term (the note being due June 20, 1894.) As we are obliged by statute law to provide for the payment of these maturing notes, either by sinking fund or by appropriation, I would recommend that the sum of \$10,000 be raised and appropriated to pay this "short term" note, which should have been permanently retired last year, and also the note in the regular series, maturing December 18, 1894.

Respectfully submitted,

F. E. NICKERSON,

Treasurer.

STONEHAM, February 23, 1894.

We, the undersigned, have examined the accounts of F. E. Nickerson, Treasurer of the Town of Stoneham, and find that he has received the sum of one hundred and sixty thousand five hundred and seventy-four dollars and ninety-eight cents, (\$160,574.98) and that he has paid out the sum of one hundred and sixty thousand five hundred and seventy-four dollars and thirty-nine cents, (\$160,574.39) including abatements, which have been placed in our hands.

That he has on hand the sum of fifty-nine cents, (59) and on account of State School Fund he has the sum of forty-four dollars and ninety-eight cents (\$44.98.)

The total amount in his hands of forty-five dollars and fifty-seven cents, (\$45.57) we find as follows, viz: Cash thirty-five (35) cents, and deposited in the Stoneham National Bank the sum of forty-five dollars and twenty-two cents, (\$45.22) as shown by certificate from said bank.

FRED H. CHASE,

T. S. IRELAND,

Auditors.

REPORT OF FINANCE COMMITTEE.

The Finance Committee would most respectfully submit the following recommendations, viz :

For schools, salaries and fuel	\$15,200
“ “ books and supplies.....	2,700
“ “ music.....	400
“ Highways	6,000
“ Concrete crossings and gutters	500

Total.....	<hr/> \$72,965

FINANCE COMMITTEE.

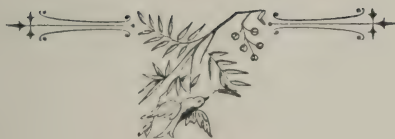

Chairman,

Walter S. Keene,	N. F. Tucker,	Jas. B. Hawkins,
John W. Kelley,	Chas. Buck,	O. H. Marston,
John G. Beede,	G. A. Hinchcliff,	Elbridge Gerry,
Seth C. Bryant,	Thos. Grady,	J. W. MacDonald,
Wm. H. Gorham,	S. P. Finnegan,	F. E. Nickerson,
		Clerk.

We desire to dissent from the recommendations of the committee in one particular, namely, the one recommending \$450 for salary of school committee. Instead we would recommend the appointment of a superintendent, either alone or in conjunction with some other town, and an appropriation sufficient to meet the cost.

J. W. MacDONALD.

GEO. A. HINCHCLIFF.

Town Warrant.

COMMONWEALTH OF MASSACHUSETTS.

MIDDLESEX SS.

To OTIS BUCKNAM, Constable of the Town of Stoneham, in the County of Middlesex :

GREETING :

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs, to meet at the Armory Hall, in said Stoneham, on Monday, the 5th day of March, A. D., 1894, at 5.45 o'clock in the forenoon, to act on the following articles of this warrant :

ARTICLE 1. To choose a Moderator to preside at said meeting.

ART. 2. To choose a Town Clerk, Town Treasurer, three Selectmen, three Assessors, three Overseers of the Poor, three Constables, two Auditors, Collector of Taxes—all for one year; also, one School Committee for three years, two Trustees for the Public Library for three years; also, one Trustee for the Lindenwood Cemetery for five years, also to vote Yes or No in answer to the question, shall licenses be granted for the sale of intoxicating liquors in this Town, all on one ballot, in accordance with the vote of the Town, passed January 29, 1891, adopting Chapter 386 of the Acts of the General Court of Massachusetts, A. D. 1890.

ART. 3. To choose all other necessary Town Officers for the year ensuing.

ART. 4. To hear the reports of Town Officers and Committees and act thereon, and to choose Committees.

ART. 5. To raise such sums of money as may be necessary to defray town charges for the year ensuing, and make appropriations for the same.

ART. 6. To see if the town will appropriate the sum of \$250 for repairs and decorations of soldiers' graves.

ART. 7. To see what sum of money the town will appropriate for the purchase of books for the Public Library.

ART. 8. To see in what manner the town will appropriate the money received for the license of dogs.

ART. 9. To see if the town will authorize its Treasurer to hire money for the use of the Town, under the direction of the Selectmen.

ART. 10. To see if the town will authorize its Collector to use all means of collecting taxes which the Town Treasurer may use when appointed Collector.

ART. 11. To see if the town will accept Chapter 304 of the Acts of 1893, entitled, An Act to provide for the election of Sewer Commissioners in towns.

ART. 12. To see if the town will vote to place an Incandescent Electric Light on the corner of Bow and Eustice streets, and make an appropriation for the same.

ART. 13. To see if the town will vote to accept the list of jurors as revised by the Selectmen.

ART. 14. To see if the town will vote to accept the provisions of Section 1, Chapter 370, of the Acts of 1891, entitled, An Act to enable Cities and Towns to manufacture and distribute gas and electricity.

ART. 15. To see if the town will vote to accept Keene street and Cowdrey street, as laid out by the Selectmen.

ART. 16. To see if the town will vote to accept the act of the Legislature of 1893, entitled, An Act to authorize the town of Stoneham to incur indebtedness beyond the limit fixed by law, for the purpose of a Town Hall and Public Library building.

ART. 17. To see if the town will vote to purchase land for a site for a new Town Hall and Public Library building, or do anything in relation to the same.

ART. 18. To see if the town will vote to authorize the Treasurer, under the direction of the Selectmen, to issue notes of the Town, in accordance with the Public Statutes, for the purchase of land for a site for a new Town Hall and Public Library building.

ART. 19. To see if the town will vote to build a gravel sidewalk on the west side of High street, from Waverly street to Elm street, and make an appropriation for the same.

ART. 20. To see if the town will vote to lay a tile drain from Washington street through land of Mary H. Wilkins, or do anything in relation to the same.

ART. 21. To see what action the town will take in relation to suits brought against the town by L. V. Colahan and George W. Soles.

ART. 22. To see if the town will vote to rebuild the culvert and retaining wall on Montvale avenue, between Cottage street and Lindenwood Station, and appropriate money for the same.

ART. 23. To see if the town will vote that the Superintendent of Streets shall furnish but one team of his own to do town work.

ART. 24. To see if the town will vote to employ only town citizens to do the town work.

ART. 25. To see if the town will vote to concrete the gutter opposite the estates of E. S. Whitney and Michael S. Sullivan on Wright street, and appropriate money for the same.

ART. 26. To see if the town will vote to construct a sidewalk on the south side of Spring street, from Green street to the town line, and appropriate \$300 for the same.

ART. 27. To see if the town will consent to the transfer, by the Park Commissioners, of the care and control of Bear Hill Park to the Metropolitan Park Commissioners, and take all necessary action in relation to the same.

ART. 28. To see if the town will vote to instruct the School Committee to employ a Superintendent of Schools, and make an appropriation for the same.

ART. 29. To see if the town will vote to clean out the ditch through meeting-house swamp, or do anything in relation to the same.

ART. 30. To see if the town will vote to refund to Henry S. Goodwin \$100, which he gave to the town for the perpetual care of his lot in Lindenwood Cemetery.

ART. 31. To see if the town will vote to remove the ledge near the house of A. B. Hook on Summer street, and appropriate money for the same.

ART. 32. To see if the town will vote to place an arc electric light at the junction of William and Pleasant streets, or do anything in relation to the same.

And you are directed to have one hundred copies of this Warrant printed, and to serve the same by posting up twenty-five attested copies as follows, viz: One at each of the meeting houses and school houses in said town, and the residue of the twenty-five in conspicuous places in different sections of said town, seven days at least before the time for holding said meeting. The remaining seventy-five copies you are required to have at the place and time of meeting, as aforesaid, for distribution.

Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of meeting, as aforesaid.

Given under our hands this twentieth day of February, in the year of our Lord, One Thousand Eight Hundred and Ninety-four.

WALTER S. KEENE,
GEORGE F. BUTTERFIELD,
WILLIAM H. SPRAGUE.

Selectmen of Stoneham.

Attest: OTIS BUCKNAM,
Constable.

Town Meetings

THURSDAY, January 17, 1907.

Charles Thompson was elected Moderator and sworn by the Town Clerk.

Voted, To appropriate the sum of nine hundred eighty and 84-100 dollars for the purpose of continuing the work of destroying the eggs, pupæ and nests of the Gypsy and Brown Tail Moths in the highways and public lands of the town.

Voted, To appropriate the sum of five hundred dollars to be expended in destroying the eggs, pupæ and nests of the Gypsy and Brown Tail Moths upon private property, the sum or sums so expended to be assessed upon the owners of such property benefited.

Voted, That J. Alden Stockwell, George N. Green and Sumner H. Green be a committee to revise the By-Laws of the town.

Voted, To adjourn.

By-Law

ARTICLE 10.

JUNK AND SECOND HAND ARTICLES.

Section 110. No person shall collect junk, old metal or second hand articles, deal in the same, or keep a shop for the purchase, sale or exchange of the same within the town unless duly licensed so to do by the Board of Selectmen.

All persons licensed by the Selectmen to keep a shop

for the purchase, sale or barter of junk, old metals or second hand articles within the town limits, shall keep a book in which shall be written at the time of every purchase of any such article, a description thereof, the name age and residence of the person from whom, and the day and hour when such purchase was made. Such book shall at all times be open to the inspection of the Selectmen, and of any person by them authorized to make such inspection.

No article purchased or received by such junk collector shall be sold until at least one week from the time of its purchase or receipt has elapsed.

Approved by the Attorney General Jan. 4, 1907.

Town Meeting

MONDAY, March 4, 1907.

William B. Snow was elected Moderator and sworn by the Town Clerk

John A. Alden, Charles H. Parsons, Clarence S. Lynde, Sumner E. Barnstead, Charles P. Brawley, Alfred T. Peacock, Charles F. Blodgett and Herbert G. Daley, Tellers, having been appointed by the Selectmen as required by law, were sworn to the faithful performance of their duties by the Town Clerk.

The first set of ballots was delivered to the Ballot Clerks, who receipted for the same, the ballot box opened, inspected, the register set at 0, locked, and the keys delivered to Constable Walter H. George, after which the polls were declared open to receive ballots under Article 2 of the warrant.

The ballot box getting out of order at 6.30 A. M., at which time the dial indicated that 96 ballots had been cast, an open box was substituted.

Voted, To close the polls open under Article 2 at four

Voted, To close the polls open under Article 2 at four o'clock in the afternoon.

Voted, That when this meeting adjourn it be until Wednesday, March 13, 1907, to meet in Armory Hall at 7.30 o'clock in the evening.

Voted, That all action on the articles of this warrant, excepting Articles 1 and 2, be postponed until the adjourned meeting, Wednesday, March 13, 1907.

The Moderator appointed, as additional tellers to assort and count the ballots, the following, who were sworn by the town clerk:

Fred R. Fall, Frank E. Parks, William Munn, Charles F. Junkins, Bernard W. Conefy, Andrew V. McDonnell, Bernard W. Halpin, James H. Fitzpatrick, James P. McGovern, James J. Cody, John Foley.

By unanimous consent of the Moderator and Town Clerk, at three o'clock in the afternoon the ballot box was opened and ballots taken therefrom for the purpose of counting.

Three "Holt Counting Apparatus" were used in counting the ballots, two Republican and two Democratic Tellers assigned to each.

At four o'clock in the afternoon, in accordance with the vote previously taken, the Moderator declared the polls closed under Article 2.

The check list at the gate had the names of seven hundred eighty-seven persons checked as having received ballots.

Men	781
Women	6

The check lists at the ballot box had the names of 787 persons checked as having voted.

Men	781

 Adjourned Town Meeting

WEDNESDAY, March 13, 1907.

Meeting called to order by Moderator William B. Snow.

ARTICLE 3.

Chose, Charles W. Lamb, Arthur N. Newhall and
George R. Barnstead, Fence Viewers.

Chose, Sumner H. Green and John C. C. Small, Field
Drivers.

Chose, James H. White, Pound Keeper.

Voted, That the appointment of a Measurer of Leather be left with the Selectmen.

Voted, That the appointment of Measurers of Wood and Bark be left with the Selectmen.

Chose. John B. Swan, Surveyor of Lumber.

Chose, Charles W. Messer, Robert H. Messer and Frank H. Reynolds, Undertakers.

ARTICLE 4.

Voted, To accept the reports of the Town Officers and Committees as printed and dated December 31, 1906.

George N. Green for the Committee on New Central Fire Station presented the following:

CENTRAL FIRE STATION

REPORT

Pursuant to the vote of town at its March meeting 1906, appointing the undersigned members of a Committee to investigate the advisability of constructing a new central fire station, with a general equipment, your Committee having investigated the matter, the undersigned members report, that in their judgment it will be for the interest of the town to construct a new central fire station, secure horses, and maintain two permanent men. A specific statement of the reasons for the conclusions of your Committee is hereto annexed and made a part of this report.

CHARLES W. LAMB,
GEORGE N. GREEN,
J. ALDEN STOCKWELL,
SIDNEY A. HILL,

In favor.

STEPHEN P. FINNEGAN,
Dissenting.

45 Call men at \$50	\$2,250.00
Steward	75.00
5 Horses at \$3.38 per week	880.00

2 Permanent men at \$720	1,440.00
2 Permanent men, 2 weeks' vacation	56.00
3 Engineers	300.00
General Expenses	1,350.00
Depreciation	325.00

\$6,676.00

Estimated Earnings	2,000.00
------------------------------	----------

\$4,676.00

Interest on Debt \$800.00	
Yearly on Debt 1,000.00	
Estimate Saving in Hose \$100.00	
Rent of Stable 200.00	

300.00

\$4,376.00

Estimated Cost of House	\$16,650.00
“ “ “ Horses	1,625.00
“ “ “ Carts	425.00
“ “ “ Stable Fixtures	100.00
“ “ “ Harnesses	225.00
“ “ “ Furnishing Rooms	150.00
“ “ “ Desk for Engineers	30.00

\$19,205.00

Specifications as to earnings, probable savings to the town by establishing a new central fire station, and securing town horses.

EARNINGS

Street Watering	\$600.00
Carrying Children from North Street	350.00
Breaking Snow and Sanding Walks	200.00
Miscellaneous Work	50.00
Teams on Highways	\$800.00 to 1,000.00

SAVINGS

Estimated reduction of the premium rates on listed property as appears by letter of Board of Fire Underwriters, March 9, \$1500.

The town of Stoneham paid out last year for coal for the use of schools, library, armory, etc., \$3057.15, paying therefor at the rate of \$6.25 to \$7.00 for hard coal and \$4.63 to \$4.75 for soft coal, 537 tons. Your committee believes that this coal could be bought at wholesale, securing a long ton, 2240 lbs., bought in quantity at practically wholesale rates, enabling the town to save at least \$300 on the price of the coal, the town horses being used to deliver the same at the schools.

Voted, That the report of the Committee on Central Fire Station lay on the table until action is taken on Articles 20, 21, 22, 23 of this warrant.

George N. Green reported, that the records show that the land on North street and known as the North street school lot, belongs to the town, having been conveyed to the town in the year 1853 by warranty deed of Sarah Pierce, dated Dec. 27, 1853, and recorded with Middlesex So. Dist. Deeds, Book 683, Page 77.

Voted, To accept the report on title of North street school lot.

The Moderator appointed the following to serve as Tellers: north wall, Charles E. Jennings, Frank P. Ross; north aisle, Leonard P. Benton, Clark D. Whiteman; center aisle, Walter E. Howe, Luther Hill; south aisle, James J. Perry, Sylvester A. Lawrence.

Voted, To act numerically on the articles of the warrant.

ARTICLE 5.

Voted, To raise and appropriate the following sums to defray town charges for the year ensuing:

Poor Department, receipts and	\$5,000.00
Lighting, receipts and	4,376.70
Rent of Offices, receipts and	672.00
Military Aid	150.00
Debt	4,000.00
Interest	6,500.00
Lindenwood Cemetery, receipts and	397.66
Old Cemetery	35.00
Breaking Snow	600.00
Miscellaneous	3,876.46
Schools	29,900.00

Soldiers' Relief	3,304.01
Highways	5,000.00
Concrete	600.00
Police	3,000.00
Hydrants and Public Water Service	1,000.00
Printing Town Reports and Valuations	600.00
Shade Trees	131.00
Salaries, Town Clerk	700.00
" Clerk Board of Public Works	300.00
" Auditors	300.00
" Overseers of Poor	400.00
" Board of Health	150.00
" Assessors	900.00
" Sealer of Weights and Measures	100.00
" Selectmen	300.00
" Tax Collector	650.00
" Inspector of Plumbing	300.00
" Moderator	25.00
" Town Treasurer	500.00
" Water Registrar	200.00
" Board of Public Works	300.00
" Registrars of Voters	125.00
" Janitor Town Offices	150.00

ARTICLE 4.

Voted, That a committee of three be appointed, with power to consult counsel and procure an opinion as to the liability of the New England Sanitarium to pay taxes to the town, said Sanitarium now claiming exemption under its charter as a charitable institution; said committee to report to the town at its earliest opportunity.

Voted, That a sum not exceeding one hundred dollars be appropriated to pay for the opinion above voted, and that the same be paid from money appropriated for miscellaneous expenses.

The Moderator appointed as the committee to procure an opinion as above voted, the following: Luther Hill, Charles J. Emerson, Arthur N. Newhall.

ARTICLE 6.

Voted, To raise and appropriate the sum of three hundred and twenty-five dollars for repairs and decoration of Soldiers' graves.

ARTICLE 7.

Voted, To raise and appropriate the sum of seventeen hundred dollars, and to appropriate the sum of two hundred and fifty-five and 44-100 dollars, the unexpended balance from 1906, and the receipts from fines and sale of catalogues, for the support and purchase of books for the Public Library.

ARTICLE 8.

Voted, To appropriate the money received for licenses of dogs, for the expenses of the Public Library and Reading Room.

ARTICLE 9.

Voted, That for the purpose of procuring a temporary loan to and for the use of the Town of Stoneham, in antic-

ipation of the taxes of the present municipal year, the Town Treasurer is hereby authorized and directed to borrow from time to time, with the approval of a majority of the Board of Selectmen, a sum or sums, not exceeding in the aggregate one hundred thousand dollars, and to execute and deliver the note or notes of the town therefor, payable within one year from the time the loan is made. Any debt or debts incurred by a loan or loans to the town under this vote shall be paid from the said taxes of the present municipal year.

ARTICLE 10.

Voted, To authorize the Collector to use all means of collecting taxes which the Town Treasurer may use when appointed collector.

ARTICLE 11.

Voted, to add the following named to the list of Jurors as revised by the Selectmen:

William Munn, Ice Dealer, 48 Wright st.

Charles F. Junkins, Teamster, 11 Middle st.

Herbert L. Johonnott, Shoecutter, 109 Franklin st.

Voted, To accept the list of Jurors as now revised.

ARTICLE 12.

Voted, To grant the free use of Armory Hall to Post 75, G. A. R., six evenings in the coming year when not otherwise engaged.

ARTICLE 13.

Voted, To grant the free use of Armory Hall to Leon E. Warren Camp 33, L. S. W. V., five evenings in the coming year when not otherwise engaged.

ARTICLE 14.

Voted, To grant the free use of Armory Hall to the High School Alumni Association, one evening in the coming year when not otherwise engaged.

ARTICLE 15.

Voted, That all taxes not exceeding three dollars in amount shall be due and payable on demand. On all taxes exceeding three dollars in amount, one and one-half per cent. discount shall be allowed if paid on or before the tenth day of September; if paid on or before the tenth day of October, one per cent. discount shall be allowed; if paid on or before the tenth day of November, one-half of one per cent. discount shall be allowed; and all taxes exceed-

ing three dollars in amount shall be due and payable on the tenth day of December of the current year. On and after December tenth, interest shall be charged on all unpaid taxes at the rate of five per centum per annum. On the fifteenth day of February following, the Collector shall proceed to collect taxes of all delinquents according to law. Interest and discount shall be reckoned on even dollars.

ARTICLE 16.

Voted, To water the following streets the year ensuing: Main street from Marble street to Elm street; Franklin street from Central Square to a point sixty feet east of Pine street; Central street from Central Square to Pomeworth street; Winter street; Church street; Common street; Tidd street; and Montvale avenue from Main street to the westerly line of land of Georgianna Boyce.

Voted, That the assessment on abutters for watering streets as voted be three cents per lineal foot.

ARTICLE 17.

Voted, To raise and appropriate the sum of seventy-five dollars for School Physician.

ARTICLE 18.

Voted, To have the valuation for the year 1907 printed, and that the same contain the valuation of all town property, real and personal.

ARTICLE 19.

Voted, To authorize the Selectmen to enter into a contract for the municipal lighting of the town for such time and conditions as they deem for the best interests of the town.

ARTICLE 20.

Voted, To build a Central Fire Station.

Voting in the affirmative	204
Voting in the negative	121

A motion to reconsider the vote last passed was tried and declared lost.

Voted, To adjourn, to meet in Armory Hall Wednesday evening, March 20, 1907, at 7.30 o'clock.

Adjourned Town Meeting

WEDNESDAY, March 20, 1907.

Meeting called to order by the Moderator.

ARTICLE 21.

Voted, That the town purchase five horses for the use of the Fire Department and for general uses of the town, together with such carts, harnesses and general equipment necessary for such general uses.

Voting in the affirmative	213
Voting in the negative	165

ARTICLE 22.

Sidney A. Hill offered the following motion: "To appropriate the sum of twenty thousand dollars for the purpose of erecting a Central Fire Station, and to purchase horses for the use of the Fire Department and for general uses of the town, together with such carts, harnesses and general equipment necessary for such general uses, as voted under articles 20 and 21 of the warrant."

The Moderator stated that the town could not appropriate money which it did not possess, or made express provisions for, and that the motion was not in order.

J. Alden Stockwell appealed from the decision of the Moderator.

On the question "Will the meeting sustain the decision of the chair?" the vote being taken, it was

Voted, To sustain the decision of the chair.	
Voting in the affirmative	206
Voting in the negative	135

Sidney A. Hill offered the following motion: "That the town appropriate the sum of twenty thousand dollars for the purpose of erecting a Central Fire Station, and to purchase five horses for the use of the Fire Department and for general uses of the town, together with such carts, harnesses and general equipment necessary for such general uses, and authorize the Town Treasurer, under the direction of the Selectmen, to issue notes of the town therefor, bearing interest at a rate not exceeding four per centum per annum, payable semi-annually; said notes to be dated July 1st, 1907, and payable as follows:

\$1000 on July 1, 1908	\$1000 on July 1, 1918
1000 " " 1909	1000 " " 1919
1000 " " 1910	1000 " " 1920
1000 " " 1911	1000 " " 1921
1000 " " 1912	1000 " " 1922
1000 " " 1913	1000 " " 1923
1000 " " 1914	1000 " " 1924
1000 " " 1915	1000 " " 1925
1000 " " 1916	1000 " " 1926
1000 " " 1917	1000 " " 1927

It requiring a two-thirds vote by Yeas and Nays to make the passage of the foregoing vote effective, the check list was used, and Luther Hill and James J. Perry were appointed to call and check the vote. The Tellers were sworn by the Town Clerk.

All the names having been called and the votes recorded "Yes" or "No" against the names of those voting, and all votes counted and verified, announcement of the same was made as follows:

Whole number voting	340
Voting "Yes"	185
Voting "No"	155

The necessary two-thirds not having voted in the affirmative, the motion was declared lost.

Voted, to adjourn until Wednesday, March 27, 1907, to meet in Armory Hall at 7.30 o'clock P. M.

Adjourned Town Meeting

WEDNESDAY, March 27, 1907.

Meeting called to order by the Moderator.

Tellers, Charles E. Jennings, Frank P. Ross, Leonard P. Benton, Clark D. Whiteman, Luther Hill, Harry P. Boyce, James J. Perry, Sylvester A. Lawrence.

ARTICLE 4.

Voted, That the Moderator appoint a Finance Committee for the year ensuing.

Under the authority of the foregoing vote, the Moderator appointed as the Finance Committee:

Hon. William B. Stevens, David T. Strange, William D. Brackett, Stephen P. Finnegan, Arthur F. Hayward, Bernard H. Cogan, Edgar L. Patch, William P. Fletcher, Charles F. Buck.

Voted, That a committee of three be appointed by the Moderator, to represent the town in the Suburban Telephone Reform Association, the expense not to exceed \$3 for the year.

Under the authority of the foregoing vote, the Moderator appointed as that committee: Charles W. Lamb, Charles F. Buck, Bryan R. Houghton.

ARTICLE 22.

The Moderator stated that after a careful examination of the subject of the decision of the chair and sustained by the meeting March 20, 1907, he was of the opinion that said decision was erroneous, and he withdrew the decision.

On motion of Sidney A. Hill "That the action taken Wednesday, March 20, 1907, under this article, be reconsidered," the question being stated and tried by a hand vote, was declared lost.

Voting in affirmative	180
Voting in negative	215

ARTICLE 4.

On motion of Charles W. H. Kelly "That a committee be appointed to investigate the advisability of reducing the Fire Department to forty-five members," the question being stated and tried was declared lost.

Voting in the affirmative	123
Voting in the negative	190

ARTICLES 20, 21, 22, 23.

Voted, That further action under articles 20, 21, 22 and 23 of the warrant be indefinitely postponed.

Voting in the affirmative	234
Voting in the negative	170

ARTICLE 4.

Charles J. Emerson for the committee appointed March 13, 1907, to procure opinion of counsel as to the liability of the New England Sanitarium to pay taxes to the town, reported that the Committee had consulted counsel, and read the following letter as the opinion in regard to the matter:

LOWELL & LOWELL
ATTORNEYS AND COUNSELLORS AT LAW
38 EQUITABLE BUILDING.

BOSTON, March 26, 1907.

CHARLES J. EMERSON, ESQ.,

CHAIRMAN NEW ENGLAND SANITARIUM COMMITTEE,
STONEHAM, MASS.

MY DEAR SIR:—We understand from Mr. Hill that your committee wishes an opinion as to the liability of the New England Sanitarium to pay taxes to the town of Stoneham. From what facts we have been able to gather we are of the opinion that the Sanitarium is so using its property as to be subject to taxation for the ensuing year.

Very truly yours,

LOWELL & LOWELL.

Voted, To accept the report as progress.

ARTICLE 25.

Charles J. Emerson moved "That the town adopt the meter system for assessing water rates."

Voted, To commit the subject matter of this article to a committee of five to report at a future meeting.

The Moderator appointed as that committee: Charles J. Emerson, James A. Jones, Fred E. Nickerson, David T. Strange, Frank A. Walker.

ARTICLE 26.

Voted, To extend the sewer in and through Franklin street, from Summer street easterly to Highland avenue, and to raise and appropriate the sum of one hundred and fifty-eight and 28-100 dollars, and to appropriate from funds in sewer construction account, the sum of two thousand three hundred forty-one and 72-100 dollars, and also appropriate the sum of two thousand dollars, to be received from sale of sewer bonds for that purpose, \$4500.

Voted, To authorize the Town Treasurer to sell two sewer bonds, the issue of which has been authorized by the town, the proceeds to be expended in constructing the sewer in Franklin street, as voted at this meeting.

ARTICLE 27.

The Town Clerk read the lay out, by the Selectmen, of the drain from Main street westerly to Park Road; a motion was made "That the town accept as a public drain, the drain as laid out by the Selectmen," which motion being tried was declared in the negative, which being doubted, was again tried and declared lost.

Voting in the affirmative	83
Voting in the negative	110

ARTICLE 28.

Wesley N. Gray moved "To raise and appropriate the sum of five hundred dollars to reimburse Wesley N. Gray

for the cost of piping and covering said drain." The Moderator declared the motion out of order.

ARTICLE 29.

A motion was made "To lay a water main in and through Broadway, from Main street easterly to High street, and to appropriate the sum of two thousand dollars for the same." Upon the statement of the Town Treasurer that there are no funds available for the purpose, it was

Voted, To indefinitely postpone the subject matter of this article.

Voted, To adjourn, to meet in Armory Hall, Wednesday, April 3, 1907, at 7.30 o'clock in the evening.

Adjourned Town Meeting

WEDNESDAY, April 3, 1907.

Meeting called to order by the Moderator.

ARTICLE 32.

LAY OUT OF COLUMBUS AVENUE

We, the subscribers, Selectmen of the town of Stoneham, Mass., after giving notice according to law to all persons interested, have laid out a town way as follows:

Beginning at a point in the westerly side line of Isabella street, at the intersection of said line with the southerly side line of a private way called Columbus avenue, and fifty-seven (57) feet easterly from the north-west corner of the dwelling house of William E. Tyler, and fifty-one and two-tenths (51.2) feet northeasterly from the southeasterly corner of said house; thence the line runs north sixty-eight degrees and forty-one minutes west by and with land of William E. Tyler, land of William E. Ellis, trustee, land of Rachael J. Scott and over land of Margaret E. Walsh, three hundred twenty-nine and seven-

ty-five hundredths (329.75) feet to the terminus at land of John Walsh.

Said new street to lie upon the right or northerly side of the above described line and to be forty (40) feet in width throughout.

The above description to conform to a plan of same made and drawn by William Butler Jones, C. E., and dated Feb. 16, 1906.

When this report is accepted and adopted by the town, the said way is to be forever known as a public town way.

Stoneham, Mass., Feb. 23, 1906.

Voted, To accept that portion of Columbus avenue between Isabella street and land of John Walsh on the west, as laid out by the Selectmen, and to raise and appropriate the sum of three hundred dollars to construct the same.

ARTICLE 35.

Voted, To locate a fire alarm box at the corner of North avenue and Harrison street, and to raise and appropriate the sum of seventy-five dollars for that purpose.

ARTICLE 37.

Voted, To construct a drain across William street from land of John P. Hylan to land of Sumner Richardson, and that the cost be paid from the appropriation for highways.

ARTICLE 38.

To see if the town will vote to open and clean out the drain crossing Washington street, opposite Washington Court, make an appropriation for the same, or do anything in relation to the same.

Voted, That the subject matter of this article be referred to the Board of Public Works, they to report at a future meeting.

ARTICLE 41.

Voted, To concrete the sidewalk on the southerly side

of Common street, from Central street to Pine street, under the provisions of Section 43 of Chapter 49 of the Revised Laws, and that the expense be paid from the appropriation for concrete.

ARTICLE 42.

Voted, To locate three incandescent electric lights on Collincote street, between the residence of James Grant and Main street, and to raise and appropriate the sum of forty-five dollars for the same.

Voting in the affirmative	51
Voting in the negative	28

ARTICLE 39.

To see if the town will raise and appropriate the sum of \$900 for the collection of ashes and garbage in the town the present year, or do anything in relation to the same.

Voted, To indefinitely postpone the subject matter of this article.

Voting in the affirmative	80
Voting in the negative	31

ARTICLE 5.

Voted, That the sum of one thousand dollars be appropriated from the amount received from the Street Railway Excise Tax for repairs on highways, the same to be expended under the direction of the Board of Public Works.

ARTICLE 43.

To see if the town will vote to locate incandescent electric lights as follows: One on Summerhill street near the house of Mary L. Martsch; one on William street near the house of William S. Hanscom; one on Pine street near the corner of Common street; one on Duncklee avenue near the house of Amasa W. Nason; three on William street west of Main street; make an appropriation for the same, or do anything in relation thereto.

Voted, To refer the subject matter of this article to the Selectmen, they to report at the next town meeting as to the need of lights in localities named in article.

ARTICLE 44.

Voted, To install electric lights in the rooms of Co. H, 6th Regt., located in the Armory building, and to raise and appropriate the sum of ninety dollars for the same.

ARTICLE 4.

Voted, That the Engineers of the Fire Department be a committee to locate fire alarm box voted under article 35 of the warrant.

Voted. To accept the report of the committee on New Central Fire Station.

Voted, That the Selectmen install the lights in the Armory as voted under Article 44 of the warrant.

ARTICLE 40.

Voted, To concrete the sidewalk on the northerly side of Spring street, from Green street to Eustice street, under the provisions of Section 43 of Chapter 49 of the Revised Laws, and to raise and appropriate the sum of seventy-five dollars for the same.

ARTICLE 46.

Voted, To raise and appropriate the sum of one hundred dollars for guide boards, to be expended under the direction of the Board of Public Works.

ARTICLE 47.

Voted, To raise and appropriate the sum of two hundred and fifty dollars for railing streets the year ensuing.

ARTICLE 48.

Voted, To raise and appropriate the sum of twelve hundred and fifty dollars for sewer maintenance the year ensuing.

ARTICLE 49.

Voted, To rebuild or repair the fence on the east line of Lindenwood Cemetery, and to raise and appropriate the sum of two hundred and fifty dollars for that purpose.

Voted, That the Trustees of Lindenwood Cemetery carry the foregoing vote into effect.

Voted, To adjourn.

Town Meeting

WEDNESDAY, May 8, 1907.

William B. Snow elected Moderator.

ARTICLE 2.

Voted, That the town do authorize the Commissioners of Public Works to petition the Legislature for authority to issue 10 additional water bonds, said bonds to be of the denomination of \$1000 each, to bear interest at a rate not exceeding 4 per cent per annum, and the principal to be paid serially as follows, viz: \$5000 in the year 1930; \$5000 in the year 1931.

ARTICLE 3.

Voted, That the town do authorize the Commissioners of Public Works to petition the Legislature for authority to issue 10 additional sewer bonds, said bonds to be of the denomination of \$1000 each, to bear interest at a rate not exceeding 4 per cent per annum, and the principal to be paid serially as follows, viz: \$5000 in the year 1927; \$5000 in the year 1928.

ARTICLE 4.

Voted, To locate incandescent lights as follows: One on Summer street near the house of Mary L. Martsch; one on William street near the house of William S. Hanscom; one on Pine street near the corner of Common street; one

on Duncklee avenue near the house of Amasa W. Nason; and three on William street west of Main street; and to appropriate fifty dollars for the same.

ARTICLE 5.

Voted, To extend the water main in and through Cowdrey street, from High street to Keene street, and to appropriate from money received for water services, the sum of two hundred and fifty dollars; provided that the water takers on said Cowdrey street will guarantee an amount equal to 8 per cent of the cost of construction of said extension.

ARTICLE 6.

Voted, To appropriate the sum of nine hundred seventy dollars and seventy-seven cents for the purpose of continuing the work of destroying the eggs, pupæ and nests of the Gypsy and Brown Tail Moths in the highways and public lands of the town.

Voted, To appropriate the receipts from taxes levied on private property assessed for work in destroying the eggs, pupæ and nests of the Brown Tail and Gypsy Moths on said private property; the same to be expended to continue the work of destroying the eggs, pupæ and nests of said moths on private property; the amounts so expended to be assessed upon owners of property benefited.

Voted, To adjourn.

Contract with The Edison Electric Illuminating Company of Boston

This contract made this seventh day of May A.D. 1907, by and between The Edison Electric Illuminating Company of Boston, a corporation duly organized under the laws of the Commonwealth of Massachusetts, hereinafter called the Company, its successors and assigns, of

the first part, and the Town of Stoneham, a municipal corporation in said Commonwealth, hereinafter called the Town, of the second part.

WITNESSETH:

ARTICLE I. The Company shall, at its own expense, furnish, place and maintain such number of electric arc and incandescent lights as the Town may, from time to time request, for lighting the streets and other public places in the town, and keep the same lighted as hereinafter provided, so as to give a clear and reasonably steady light, the number at the beginning of this contract to be not less than twenty (20) arc lights and two hundred and eight (208) incandescent lights.

ARTICLE II. At the beginning of this contract the lights shall be located where now placed, and any additional lights that may be required by the town shall be located at such points as may be determined by the town, provided that the Company shall not be required to extend its line more than one hundred (100) feet in order to install one incandescent light, or more than five hundred (500) feet in order to install one arc light, for each unexpired year of this contract, but no extensions of lines or additional lights shall be required during the last year of this contract; provided, however, that the Town may require extensions of lines or additional lights at any time during the period of this contract, by paying the cost of the same, or the cost of so much of the extension as exceeds that herein required to be made by the Company, such payments to apply as credits upon bills for the future supply of lights on such additional lines.

Whenever requested by the Town, the Company will change the location of any light, the Town will pay the cost of moving the same, such cost not to exceed five dollars for each arc light and three dollars for each incandescent light so moved, unless new lines or poles are required,

ARTICLE III. The arc lights shall be of the six and six-tenths ampere "Alternating Current Enclosed" pat-

tern, requiring an electrical energy of four hundred twenty-two watts on an average, and no light shall average less than four hundred and ten watts, or such modification of the same as shall be practicable, provided the candle power of the lights shall not be reduced. The incandescent lights shall be the so-called thirty-two (32) candle power, and shall be promptly renewed by the Company whenever they become dim, broken or burned out.

ARTICLE IV. The Company shall keep all said lights lighted during certain hours daily, according to the time schedules to be furnished by the Town; and the party or parties designated by the Board of Selectmen of said town shall have authority to order said lights to be burned at any time.

ARTICLE V. All lights, when placed in service under this contract, shall continue to be furnished by the Company and paid for by the Town as herein provided, until the termination of this contract.

ARTICLE VI. The lights to be supplied under this contract are to be furnished only from what is known as the Overhead System of Wires.

ARTICLE VII. All lamps, poles, wires, fixtures and other apparatus, appliances and materials used in carrying out this contract, and located in the streets and other public places in the town, shall be furnished by the Company; shall be of suitable quality; shall be kept in good order and condition by the Company, and shall be immediately replaced when broken or otherwise defective.

ARTICLE VIII. The Town agrees, subject to appropriation from year to year, to pay the Company for the lights furnished and kept lighted aforesaid, provided the Company fully performs in every respect its part of this contract at the following rates:

For sixteen hundred hours' burning per year at the rate of seventy-five dollars per year for each arc light furnished, and at the rate of fifteen dollars per year for each incandescent light furnished.

For such number of lights, counting one arc light as equivalent to five incandescent lights, as shall exceed four hundred incandescent lights, or their equivalent, the prices shall be at the rate of sixty-five dollars per arc light, and thirteen dollars per incandescent light per year, instead of seventy-five dollars and fifteen dollars, respectively, as above provided.

When the burning varies from 1600 hours per year, adjustment shall be made on the basis of four-tenths cent per hour per standard street lighting lamp for each incandescent light, and on the basis of two cents per hour for each arc light.

This contract being drawn for a term of five years, a discount of five per cent. shall be made from each monthly bill figured as aforesaid. If within one year from the date hereof, this contract is extended so as to cover a term of ten years from the date hereof, the discount from monthly bills thereafter rendered shall be ten per cent., and if so extended to cover a term of twenty years from the date hereof, such discount shall be twenty per cent. instead of five per cent. as above provided. The town shall have the option of extending this contract as aforesaid.

If during the period of this contract or its extension as herein provided, the Company's regular prices for arc or incandescent lights furnished to municipalities under like conditions as herein named are reduced, such reduction shall likewise apply to the arc or incandescent lights, respectively, herein provided for.

ARTICLE IX. A deduction shall be made for every hour that any light or lights shall remain unlighted or of less than the required power, during any of the hours specified for the same to be lighted, and at the same rate for any part of an hour as follows:

Five (5) cents per hour for arcs and one (1) cent per hour for incandescents.

The Town shall furnish to the Company each day dur-

ing the continuance of this contract, a list of lights unlighted or of less than required power during the preceding night, giving times and locations, and shall furnish a summary of the same on or before the fifth day of each calendar month for the preceding month.

ARTICLE X. Payments shall be made to the Company on the regular pay day of the Town in each month, for the lights furnished the Town during the preceding month.

ARTICLE XI. The Company agrees to indemnify and save harmless the Town against any and all claims for damages, loss, cost and expense on account of injury to persons or property, arising in any way out of the erection, construction, maintenance or use of any of the lamps, poles, wires, fixtures and other apparatus and appliances furnished by the Company hereunder, except where such injury is the result in whole or in part of the fault of the Town, its officers, servants or agents; and against any and all claims for damages by reason of any alleged infringement of patent rights in the use of lamps, poles, wires, fixtures, machinery and other apparatus, appliances and material supplied by the Company hereunder, and agrees, at its own expense, to assume the defence of all actions at law or in equity which may be brought against the Town for any alleged infringement of patent rights as aforesaid; and also against all decrees, judgments and orders of any court in relation to such alleged infringements.

ARTICLE XII. The Company agrees that the Town may at all times, with or without the Company's knowledge, employ a competent person to test the electrical currents and energy furnished to any or all of said lights, and to examine and test the street lights to ascertain whether or not the Company is complying with the terms of this contract, and for such purpose the Company agrees that such competent person may have access at all reasonable times, to all lamps, poles, wires, fixtures and other apparatus of the Company in the streets and other public

places in the town, and used in carrying out this contract. The Town agrees to indemnify and save harmless the Company against any and all claims for damages, loss, cost and expenses on account of injury to persons or property arising in any way out of the employment, act or neglect of such person, except as may arise in whole or in part from the fault or neglect of the Company, its agents or servants.

Should the Town at any time find that the Company is not complying fully with all the terms and requirements of this contract, the Town shall immediately notify the Company of such fact, so that the Company may at once remedy the fault.

This contract shall begin on June 1st, 1907, and shall continue until June 1st, 1912, and thereafter subject to appropriations during successive periods of one year each, until this agreement shall have terminated by notice in writing given by either party to the other not less than thirty days prior to the end of any such successive yearly period; and in default of such thirty days' notice, this agreement shall, without further notice or agreement, be deemed to be extended for an additional twelve months next succeeding the end of the yearly period then current, subject to the following article:

The Company agrees to notify the Town by registered letter to the Selectmen, of the date of the expiration of the original term of this contract, at least sixty days before June 1st, 1912. Failure so to do shall cancel the foregoing provisions for the extension of the contract for successive periods of one year each.

IN WITNESS WHEREOF, the said Company has caused these presents to be executed in duplicate by its General Superintendent, and the said Town has caused these

presents to be executed in duplicate by its Board of Selectmen the day and year first above written.

THE EDISON ELECTRIC ILLUMINATING
COMPANY OF BOSTON,

By WM. H. ATKINS, General Superintendent.

TOWN OF STONEHAM,

By CHARLES W. LAMB,

ARTHUR N. NEWHALL,

GEORGE R. BARNSTEAD,

Board of Selectmen.

Town Meeting

THURSDAY, August 8, 1907.

William B. Snow was elected Moderator and sworn by the Town Clerk.

ARTICLE 2.

Voted, That James A. Stockwell be a member of the Finance Committee, to fill vacancy caused by the death of Arthur F. Hayward.

Voting in the affirmative	5
---------------------------	---	---	---	---	---

Voting in the negative	4
------------------------	---	---	---	---	---

Voted, To adjourn.

Town Meeting

TUESDAY, November 5, 1907.

The meeting was called to order by Arthur N. Newhall, acting chairman of the Selectmen, and the warrant was read by the Town Clerk, after which the Chairman announced as Ballot Clerks and Tellers, who had been previously appointed by the Selectmen as required by law, who were sworn by the Town Clerk:

Ballot Clerks, Wilson A. Bartlett, Charles A. Stone, James H. Halpin, Charles P. Brawley.

Tellers, Clarence S. Lynde, Sumner E. Barnstead, Herbert G. Daley, Bernard W. Halpin.

The first package said to contain 1900 official ballots was delivered to the Ballot Clerks, who receipted for the same; the ballot box opened, inspected, the register set at 0, locked, and the keys given in charge of Constable Walter H. George, after which the polls were declared open to receive ballots under the warrant.

Voted, To close the polls at four o'clock in the afternoon.

The ballot box getting out of order at 6.30 o'clock in the forenoon, at which time the register indicated that 89 ballots had been cast, as ascertained by the Town Clerk, an open box was substituted to receive ballots.

The regular ballot box having been repaired, was again put in use.

The Chairman announced as additional tellers to assort and count the ballots the following, who were sworn by the Town Clerk:

Republicans, George R. Bancroft, Harry J. Lindsey, Frank E. Parks, C. Henry Severance, George A. Hersam, Luther Hill.

Democrats, Leon E. Blodgett, Robert A. Scally, Peter Bermingham, Roy E. Doucette, Sidney A. Patchett, George H. Reynolds.

By unanimous consent of the Selectmen and the Town Clerk, at two o'clock in the afternoon the ballot box was opened and ballots taken therefrom for the purpose of counting.

Three "Holt Counting Apparatus" were used in counting the ballots; two Republican and two Democratic Tellers assigned to each.

At four o'clock in the afternoon, in accordance with the vote previously taken, the polls were declared closed.

The check list at the gate had the names of 1343 persons checked as having ballots, as counted by the Tellers appointed for that purpose.

The check list at the ballot box had the names of 1343 persons checked as having voted.

The number of ballots given out was 1345.

The number of ballots returned to the Town Clerk was 557, two mutilated ballots being returned to the Ballot Clerks and others given in place.

The ballot box registered 1246 as ascertained by the Town Clerk.

The number of ballots taken from the ballot boxes as counted by the Chairman was 1343.

All the ballots cast having been assorted, counted and recorded in accordance with law, declaration of the same was made as follows:

Recount of Votes Cast November 5, 1907, for James A. Jones and Martin Van Buren Knox for the Office of Representative in the General Court, Thirty-First Middlesex District

PETITION

TOWN OF STONEHAM, Nov. 8, 1907.

TO THE TOWN CLERK:

We the undersigned, registered voters in the town of Stoneham, represent that we have reason to believe, and

do believe, that the returns of the Election Officers of said town, of the votes cast at the election on Tuesday, Nov. 5, 1907, for Representative in the General Court, Thirty-first Middlesex District, are erroneous in this respect: That James A. Jones of Stoneham was credited with more, and Martin Van Buren Knox with less votes than were actually cast for them; and we believe a recount of the votes cast in said town will affect the election of one or more candidates at such election. We therefore ask that the votes cast for said Jones and Knox, candidates for Representative in the General Court, as aforesaid, be recounted.

	NAME	RESIDENCE MAY 1	
1	Fred A. Woodward,	35 Warren Street,	Stoneham
2	Daniel D. Peabody,	15 Warren Street,	Stoneham
3	Robert Robeson,	31 Warren Street,	Stoneham

11	Jonathan S. Lewis,	63 Franklin Street,	Stoneham

COMMONWEALTH OF MASSACHUSETTS
MIDDLESEX SS.

TOWN OF STONEHAM, Nov. 8, 1907.

Then personally appeared Jonathan S. Lewis, one of the above subscribers, and made oath that the above statement by him subscribed is true, to the best of his knowledge, information and belief, before me.

GEORGE N. GREEN,

Justice of the Peace.

Filed Nov. 8, 1907, at 2 o'clock and fifteen minutes in the afternoon by Jonathan S. Lewis.

RECOUNT

In accordance with the foregoing petition, the ballots were delivered to the Registrars of Voters, and all parties interested having been notified as required by law, the Registrars of Voters met in the Selectmen's office Monday, Nov. 11, 1907, at 2 o'clock in the afternoon, for the purpose set forth in said petition.

The meeting was called to order by Jason B. Sanborn, Chairman. Alfred P. Rhoades was present representing James A. Jones, and Jonathan S. Lewis representing Martin Van Buren Knox, as shown by their credentials on file.

The blocks of ballots were opened, canvassed, sealed and endorsed as required by law, and the following certificate filed with the Town Clerk.

OFFICE OF THE REGISTRARS OF VOTERS.

STONEHAM, MASS., Nov. 11, 1907.

We the Registrars of Voters in the town of Stoneham, certify that at a meeting called for the purpose of a recount of the ballots cast for James A. Jones and Martin Van Buren Knox for the office of Representative in the General Court for the Thirty-first Middlesex District; (said meeting being called and the ballots counted in accordance with Section 300 of Chapter 560 of the Acts of the year 1907;) said recount was made and each candidate received the number of votes recorded below:

James A. Jones	649
Martin Van Buren Knox	616

JASON B. SANBORN,
WILLIAM F. COWDREY,
FRED E. KERNS,

Geo. N. Green Town Clerk

Report of the Board of Selectmen

TO THE CITIZENS OF STONEHAM:

Your Board of Selectmen have the honor of submitting the following report for the year ending December 31, 1907;

FINANCES

We refer you to the reports of the Town Treasurer and Auditors for the financial condition of the town.

LAW SUITS

There are six suits pending against the town; two for alleged injury to person and property; three for alleged personal injury; and one for loss of 2 cows alleged to have been poisoned on account of spraying to destroy the Brown Tail and Gypsy Moths. One of the above cases for alleged personal injury is taken care of by the Maryland Casualty Company under policy in favor of the town.

We have settled five cases during the year, the most important being the case of Metcalf Adams for personal injury, and the case of Mary A. Forrest for land damage on account of building Orris street.

JURORS DRAWN

February 28, Robert E. Sheridan, Grand Jury.

March 19, Thomas F. Halpin and Charles F. Junkins.
Traverse Jurors, Superior Court.

September 24, Rowland H. Robbins, Charles Brown and Maurice Meade, Traverse Jurors, Superior Court.

November 26, George H. Hunt, John A. Frazier and Michael H. O'Brien, Traverse Jurors, Superior Court.

December 24, Timothy J. Sullivan, Joseph L. Swain and Henry H. Dane, Traverse Jurors, Superior Court.

STREET LIGHTS

By authority of the vote of the town your Board has entered into a contract with the Edison Electric Illuminating Company to light the streets of the town for a period of five years. (See contract on page 57.)

We have installed 10 new lights during the year and we think the town is better lighted than in previous years.

POLICE DEPARTMENT

This department is under the control of the same force as last year, and we feel that the town is well cared for by the force. The following will show the work of the force for the year:

TO THE HONORABLE BOARD OF SELECTMEN,

GENTLEMEN:—I submit the following report of the work of the Police Department for the year ending December 31, 1907:

Number of Arrests	81
Males	79
Females	2

Resident	57
Non-Resident	24

CAUSES OF ARREST

Lost Children	27
Nuisances Reported	16
Officers at Fires	17
Sick and Disabled People Assisted	24
Stray Teams Cared For	4
Number Cared for in the Lockup (Prisoners)	64

I thank your Honorable Board for advice and assistance during the past year; the regular and special officers and the citizens who have in any way assisted me in my official duties.

SUMNER H. GREEN.

Chief of Police and Lockup Keeper.

FIRE DEPARTMENT

We have the same efficient Fire Department as in former years. The following is a detailed report of the Engineers.

TO THE HONORABLE BOARD OF SELECTMEN:

GENTLEMEN:—The Board of Fire Engineers respectfully submit the following report for the year ending December 31, 1907:

During the year there has been 28 alarms of fire as follows:

January 12. False alarm from Box 12.

March 2. Fire in a storehouse on Main street owned by the Mass. Oilless Bearing Co. Cause, incendiary. Total loss.

March 5. Call to Wakefield for a fire in the Walton Block.

March 29. Brush fire in wood land on the north side of Montvale avenue. No damage. Cause, burning brush.

March 31. Brush fire on land in rear of Lindenwood Cemetery. Damage slight.

April 18. Fire in dwelling house on Minot street owned by Wm. P. Hale. Caused by boys playing with matches. Loss covered by insurance.

April 18. Brush fire on land south side of Spring street. Cause unknown. No damage.

April 20. Grass fire on land of Fuller estate, Pomeworth street. Cause unknown. No damage.

April 20. Brush fire in wood land on Lindenwood road. Cause unknown. No damage.

April 22. Brush fire in wood land west side of Perkins street. Cause unknown. No damage.

April 25. Fire in dwelling house on Pine street owned by H. C. Wright. Caused by spark from a rubbish fire. Loss covered by insurance.

May 19. Fire in Symmes Block. Cause unknown. Loss covered by insurance.

June 28. A needless alarm from Box 62 for a rubbish fire on Central street. No damage.

July 2. False alarm from Box 42.

July 4. Fire in a storebuilding on Marble street owned by J. A. Stockwell. Cause unknown. Damage slight.

July 7. Fire in a storehouse on Washington street owned by Fred Newhall. Cause unknown. Loss covered by insurance.

August 1. Grass fire on land east side of Main street, Rowe's hill. Cause unknown. No damage.

August 5. Fire in stable on Gould street owned by May A. Hill. Cause unknown. Damage slight.

August 14. Brush fire on land north side of Spring street. Cause, burning brush. No damage.

August 14. Brush fire on land in rear of R. B. Chapman's stable, Spring street. No damage. Cause unknown.

August 16. Brush fire on land east side of Green street. Cause unknown. No damage.

August 16. Brush fire on land in rear of Durgin farm, Green street. Cause, burning brush. No damage.

August 20. Brush fire on land of Horace Green and others. Cause unknown. Damage slight.

August 29. Brush fire in Richardson's woods off Lindenwood road. Cause unknown. No damage.

August 30. Brush fire on Arnold farm, William street. Cause, burning brush. Damage slight.

October 22. Fire in stable on Spring street, owned by Mrs. Olive Marr. Cause unknown. Loss covered by insurance. Sparks from the burning stable set fire to two other buildings, two of which were considerably damaged.

November 26. Alarm from Box 62 for a burning automobile owned by M. D. Sheehan. Cause unknown, Loss covered by insurance.

During the year property to the value of \$45,000.00 has been endangered by fire. On it there has been a gross loss of \$2,825.00.

Insurance has been recovered to the amount of \$2,300.00, leaving a net loss of \$525.00.

There has been used at fires during the year 16,100 feet of hose and 570 feet of ladders.

The equipment of the department is in very good condition, with the exception of Engine 1. This engine has been in service about 17 years, with very few repairs, and

we think that during the coming year some extensive repairs will need to be made.

For some time past the question of a storage battery in connection with the Alarm System has been considered, and we believe it would be economy for the town to adopt a storage battery to replace the gravity battery now in use. And we recommend that some action be taken in regard to the same.

Some repairs will be needed in the several rooms used by the department during the ensuing year. Hose House No. 3 will need to be shingled, and a new floor laid in Ladder House No. 1.

We wish to thank your Honorable Board for the assistance and encouragement given us in the discharge of our duty during the year.

To the Officers and Members of the several companies we extend our sincere thanks for the willing and efficient manner in which they have performed their duty.

Our thanks are also due the Police Department for their aid rendered at fires, and to the Citizens of the town for the generous support given by them during the year.

Respectfully submitted,
 GEORGE E. STURTEVANT, Chief.
 LOUIS F. BRUCE, Asst. Chief.
 ALBERT J. SMITH, Clerk.

PUBLIC SCALES

On account of the death of the Public Weigher, Arthur F. Hayward, your Board appointed Charles F. Hayward to that position. The report of the Weigher is below.

TO THE HONORABLE BOARD OF SELECTMEN:

GENTLEMEN:—The Weigher in charge of the Town Scales submits his report as follows:

Paying loads weighed during the year	.	.	1041
Non-paying loads weighed during the year	.	.	57
Total	.	.	1098

Receipts, 1041 loads at 10 cents . . .	\$104.10
Expenditures, Weigher's Fee, 75 per cent .	78.08

Balance paid to Town Treasurer . . .	\$26.02
--------------------------------------	---------

Respectfully submitted

CHARLES F. HAYWARD,
Town Weigher.

BROWN TAIL AND GYPSY MOTHS

The same good work has been done in this department as heretofore. The State Department has allowed a liberal amount for the work in addition to the town appropriation, as can be seen by the report of the Auditors.

JUNK LICENSES

Early in the year a By-Law regulating Junk Licenses was approved by the Attorney General, and under that authority your Board issued four licenses, making the fee for the same \$25 each.

ARMORY

Many needed repairs have been made, and the electric lighting added to in accordance with the vote of the town.

ARTHUR N. NEWHALL,
GEORGE R. BARNSTEAD,
Selectmen of Stoneham.

Report of the

Sealer of Weights and Measures

TO THE CITIZENS OF STONEHAM,

The following report of the Sealer of Weights and Measures, for the year 1907 is respectfully submitted.

Section 21, chapter 62, of the Revised Laws provides that sealers of weights and measures shall annually give public notice, by advertisement or by posting, in one or more public places in their respective cities and towns, notices to all inhabitants or persons having usual places of business therein who use weights, measures or balances for the purpose of selling goods, wares, merchandise, or other commodities, or for public weighing, to bring in their weights, measures and balances to be adjusted and sealed. Such sealers shall attend in one or more convenient places, and shall adjust, seal and record all weights, measures and balances so brought in.

Section 34 of the same chapter provides that each sealer of weights and measures, including the county treasurers, shall receive a fee of one dollar for sealing each platform balance if weighing five thousand pounds or more, and fifty cents if weighing less than that amount, and three cents each for sealing all other weights, measures, scales, beams, or balances. He shall also have a reasonable compensation for all necessary repairs, alterations and adjustments made by him.

Where weights, measures, balances and milk bottles are sealed as provided in Section 21 (that is, brought to the office), no fee is charged for sealing.

In compliance with the foregoing Section 21, the customary notice was posted March 7, 1907.

During the year the Sealer visited all places in the town where goods were bought or sold, tested all scales, weights and measures, sealed those found correct, and condemned all found beyond repair and useless. Test weighings of coal in transit to the consumer, and of beans, sugar, etc., were made.

The law relating to sale of coal by baskets has been changed, and all coal must now be sold by weight, and a certificate of weight must accompany each load and be delivered to the purchaser.

The work of the local Sealers is inspected by the Deputy State Sealers, and it is hoped that all may co-operate with the local department for the protection of the purchasing public.

Whole number Scales, Weights, Measures, Cans and		
Bottles Inspected during the year . . .		8,703
Whole number found Correct and Sealed	8,532	
Whole number Condemned . . .	171	
		————— 8,703

WILSON A. BARTLETT,
Sealer of Weights and Measures.

High School Graduation Wednesday, June 24, 1908.

Report of the School Committee

TO THE CITIZENS OF STONEHAM:

The School Committee herewith submits its annual report for the year ending December 31, 1907.

Through the co-operation of the Superintendent, Teachers and School Committee, and with the kind assistance of the parents, the work in the schools and the results obtained for the year past, should be very gratifying to the citizens of Stoneham.

The work, in all branches, has progressed with satisfactory results, except in few instances, where from observation, it would seem that if a greater interest in the children were shown by the parents it would make a great difference, especially if more care and thought were given to their moral training, and particularly among the boys, to the cigarette smoking habit which is becoming altogether too common.

Many neglected repairs have been made during the year which should have been done before, but owing to the lack of money have had to wait. Now, with the painting of the North, South and East buildings, which should be done in the near future, all the buildings will be in fair condition.

The concrete walks at the buildings have been repaired, also the concrete about the underpinning, where in many places it was badly broken away, allowing the surface

water to run into the cellars. We were also obliged to newly cement the cellar at the south building.

The Committee was obliged to replace three new ceilings during the year, two at the South and one at the East building. This was done with sheet steel ceiling at about the same cost as plaster, and will probably last as long as the buildings themselves.

Several changes have occurred in the teaching force during the year, and in most cases the teacher has resigned to accept a position in some other town or city where the increase in salary was the inducement to change.

Here it may be said that the salaries paid the teachers of Stoneham are the lowest, with one or two exceptions, of any of about twenty towns and cities located in our immediate vicinity, and the teachers, in hopes of obtaining an increase in pay, have presented to the Committee a petition signed by every teacher in town, asking for such increase.

The Committee regret the misfortune which befell E. Porter Dodge, janitor at the South school, in December, by which the school lost a most competent janitor, besides being one who was always accommodating and obliging to the teachers.

For a further and detailed report of the work in the schools, we refer you to the reports of Supt. C. E. Stevens, Principal C. J. Emerson and the department teachers.

For the ensuing year the Committee recommend an appropriation of \$32,000 to be expended approximately as follows:

Salaries, Fuel and Care	.	.	.	\$26,400.00
Books and Supplies	.	.	.	1,900.00
Repairs and Incidentals	.	.	.	2,175.00
Tuition	.	.	.	1,400.00
Secretary and Care of Books	.	.	.	125.00
				<hr/>
				\$32,000.00

FINANCIAL STATEMENT

Appropriation	\$29,900.00
Tuition, State	144.00
Incidentals	36.00

\$30,080.00

Salaries	.	.	.	\$19,550.25
Fuel	.	.	.	3,058.07
Care of Buildings	.	.	.	2,462.40

\$75.00				

Respectfully submitted,
 WINTHROP C. WHITCHER,
 ALBERT S. HOVEY,
 WILFRED A. SMITH,
 School Committee.

Report of the
 Superintendent of Schools

TO THE SCHOOL COMMITTEE:

The Superintendent of Public Schools respectfully submits his fourteenth annual report.

The state law requiring annual school reports was passed in 1838. Previous to that time they were prepared in manuscript and read in town meeting, but when, in 1839 it became necessary to send reports to the state, several towns had them printed. The advantages of having them put in a form in which they could be circulated and read by the people of the town were so evident that the custom spread rapidly. In 1839 not more than half a dozen were printed; in 1840 twenty-five; in 1841, thirty-three, including Stoneham. In accordance with law and custom which has prevailed with increasing favor for seventy years, this report is presented.

In 1840 Stoneham had a population of less than 1000, with 219 scholars in school in summer and 245 in winter. Six teachers were employed and the average wages per month, including board, was \$12.83. The total amount raised for the support of schools, including only wages of teachers, board and fuel was \$800. The valuation of the town being \$151,373, the tax for school purposes was \$5.21 on each thousand dollars. In 1838 the first move to have graded schools seems to have been made when the school committee recommended "that our scholars be so classified as to place the large and small children in the charge of different teachers, —under such different rules and regulations as their various ages and circumstances might require." The next year the committee repeated the recommendation and suggested "that a school be kept in some central, convenient place exclusively for the older class of scholars, by the best male teachers that can be procured." The plan was adopted by the town and the school opened. In 1840 the committee reported to the town that the experiment had been in all respects successful. In 1841 the school committee, in speaking of this school said, "All who were present at the examination, were delighted with evidences of proficiency such as we have never witnessed in this town before this school was

established. Our large scholars have suffered many years for want of the opportunities now presented to them." The school thus established by taking the older pupils from the several district schools was termed a high school although the work attempted seems to have been similar to that now done in our grammar schools.

At the annual town meeting in 1844 it was voted that two hundred dollars be appropriated for a high school; giving, however, any district the privilege of retaining its portion of this money, provided it gave notice to the selectmen by the first of June. Two districts availed themselves of this privilege, leaving to be expended in a high school \$152.53.

Following the successful establishment of this first graded school, changes took place with commendable rapidity. District schools attended by pupils of all ages gave place to primary, intermediate and grammar schools. There was scarcely a dozen high schools in the state when this town began the agitation which led to the opening of one here.

The growth and development of our public schools would be an interesting theme for extended consideration, but nothing more need be said now than to call your attention to the statistics appended to this report. By comparing with the figures given above, the numerical growth since 1840 is at once evident.

For the year ending June 30, 1907, the total average membership of all schools was 1101. The average membership for the fall term ending December 20, 1907, was 1150, a gain of 30 for the year. The customary tables giving further statistics are placed in the appendix.

MUSIC

I am pleased to record my appreciation of the good work done in this department, and to refer you to the report of the Supervisor, which is here inserted.

MR. CHARLES E. STEVENS, SUPERINTENDENT OF SCHOOLS:

DEAR SIR:—In accordance with your request I submit the following:

It was with much pleasure that I again assumed the duties as director of music in the public schools of Stoneham, and at the end of a year am pleased to state that the work is going on satisfactorily.

Our aim in teaching music in the public schools is, first of all, to arouse a genuine love for music in the child, which, developed, will create a desire for continued study, and an appreciation for the best in music through life.

In the lower grades special attention is given to the presentation and representation of the scale, tone matching, interval drill and rote songs.

In the upper grades two and three part exercises and songs are sung, introducing problems of decided beat and chromatics. Also exercises are sung in different modes (major and minor) and a study is made of movement as expressed in more varied rhythmic form.

The Ninth grade unites with the High School for music, making an excellent class for chorus work.

Some of the best selections from the works of the greatest composers have been sung during the past year very acceptably.

It is hoped that the interest will increase more and more and the influence of good music will be felt throughout the town.

I heartily appreciate the co-operation of Superintendent, Committee and Teachers.

Respectfully submitted,

EDWARD NEWELL GRIFFIN,

Director of Music.

DRAWING

In calling your attention to the report of the Supervisor of Drawing it is not necessary to say more than to

state that this department remains in charge of Miss Cross whose good work is so well known.

MR. C. E. STEVENS, SUPERINTENDENT OF SCHOOLS:

DEAR SIR:—I submit to you, with pleasure, my report of the condition of drawing in our schools.

In the mechanical department of the lower grades the pupils have made simple working drawings, and have studied the construction of models by the use of cardboard. In the higher grades there has been special drill in accuracy, by the working of geometrical problems. In the Ninth grade and High School there has been study of the elementary principles of Building Construction and Orbliographic Projection, and practice in making original working drawings.

In the freehand department of the various grades we have tried to enable the pupils to sketch in outline, light and shade, or color, the ordinary objects by which they are surrounded. Special attention has also been given to those subjects which lead to an appreciation of the beautiful. It is scarcely possible to overestimate the value of such drawing, since the increased love for the beautiful not only means greater enjoyment, but is a strong influence for good. Design, color, picture study are each important factors in the cultivation of a love for beautiful things. There are certain works of art that appeal to that which is best in us as truly as a written or spoken appeal. Since few pupils will have opportunity to see the originals of the works of our great masters, it is of the utmost importance that they familiarize themselves with good reproductions of the same. For years there has been a regular course in picture study, each grade devoting considerable time to the works of one or more artists. This study has generally been made by use of the small Perry pictures, for, as can be seen from a perusal of the list of pictures in the various buildings, there are many rooms which sadly need

the inspiration of a really beautiful picture, large enough to serve as the subject in a lesson on picture study.

Our High School is well supplied with works of art, and in certain rooms of other schools effort has been made which has resulted in the possession of one or more good reproductions.

In closing, I desire to express my grateful appreciation to the Committee, to the Superintendent, and to the teachers, who by their earnest co-operation have made the work most pleasant.

Very Respectfully,

EVELYN D. CROSS.

Supervisor of Drawing.

SEWING

The classes in sewing are in charge of Miss Powers, the same as last year, and excellent work has been done. The following is the report of Miss Powers.

MR. C. E. STEVENS, SUPERINTENDENT OF SCHOOLS.

DEAR SIR:—The work of the sewing classes has been carried on, using about the same method as last year.

In the Sixth grade we continue to make the sewing aprons, and in the Seventh the pillow cases; also we completed many spool-cases and commenced dusting caps.

In the Eighth grade a change was made, and the pupils are now making under-garments.

I wish to thank you and the teachers for the kindness and assistance shown me during the past year.

Respectfully submitted,

CATHARINE L. POWERS.

SLOYD

Your attention is invited to the report of Mr. Brackett, the man in charge of bench-work for the boys of grades seven, eight and nine. Much excellent work is being accomplished.

MR. C. E. STEVENS, SUPERINTENDENT OF SCHOOLS.

DEAR SIR:—The following report, together with recommendations, is respectfully submitted.

The work of the past year has been carried on, as far as possible, on the same general lines as the year before, with quite a noticeable improvement in skill. In addition to the regular work, a number of large and useful objects were made in the Ninth grade, such as writing desks, sewing cabinets, music cabinets, jardiniere stands, inlaid checker boards, glove and handkerchief boxes, drawing boards, etc.

At the annual meeting of Middlesex Teachers' Association held at Tremont Temple last fall, there was an exhibition of the work done in this county. Although we did not save work for this exhibit and our contribution was an after-thought, we gathered together enough of the work that had been taken home to make a very creditable showing and one which received quite favorable criticism.

This year, as part of the work of the Ninth grade, we intend to have made a paneled desk, swivel chair, book case, waste basket and jardiniere stand; while the Eighth grade will contribute a paper knife, pen tray, rocker blotter and ink stand holder; and the Seventh grade a pen holder, letter opener, etc., thus furnishing the room and making a permanent exhibit of the boys' work.

Industrial drawing is the foundation of all skilled handwork and is the universal language of the workman. Without a knowledge of it, very little intelligent work can be done. A boy can be guided and directed in the use of tools and show fair work, but without drawing it is like music taught by rote and not by note.

Much more has been done this year in this subject than last, but there is a chance for great improvement if conditions were more favorable. There is a general criticism among special instructors that the drawing in our public schools is undergoing the many changes that have

taken place, has deviated greatly from the intention of the framers of the statute that made it compulsory, and that the industrial part has been subordinated to color and art.

There are 488,000 persons in the state who might be called hand workers, workers where a trained hand and mind are necessary to their best success and to the welfare of the state. While it is true that the state is contemplating the establishment of trade schools in large centers to benefit these workers, it will be some years before they can be developed, and then only a small number of this large industrial army can be benefited. The large majority must get what industrial education they can in our public schools, and that before they are fourteen years of age.

If a change could be made so that the time and subject of industrial drawing could be given to the manual training teacher, from the 4th or 5th grade up, for all those who would take manual training, I think a great improvement would take place.

I fear I have already taken more space than is my share, but without enlarging on them I should like to give a few more topics which give a general idea of the aims of industrial education.

- 1 General intelligence.
- 2 To develop thought and expression.
- 3 To develop refinement of thought and skill.
- 4 To cultivate taste.
- 5 To cultivate a proper understanding of obligations to others.

Thanking you for your aid and support I remain,

Respectfully yours,

W. F. BRACKETT.

HIGH SCHOOL

The report of the High School Principal is herewith

presented, and I urge most careful consideration of the statements and recommendations which he makes.

MR. C. E. STEVENS, SUPERINTENDENT OF SCHOOLS.

DEAR SIR:—I have the honor to submit herewith my thirteenth annual report.

The total number of pupils enrolled in the High School for the year beginning September 11, 1906, and ending June 28, 1907, was 140.

The average membership for the same period was 123.

Present enrollment:

In four years Classical Course	58
In four years English and Modern Language Course	62
In three years English Course	10
In three years Business Course	25
<hr/>	
Total in High School	155
In Ninth Grade	72

I regret to say that no steps have been taken to provide for an efficient Business Course. By this omission we are failing to meet the needs of a large number of pupils—pupils who will eventually make good business men and women, but who have not the cast of mind to profit particularly by a college course. Certainly we are behind surrounding towns in the matter of giving a business education.

Also, higher salaries must be paid to retain efficient teachers in the High School. About a month ago I sent out letters of inquiry to twenty-five cities and towns in this part of the state. I asked the following questions:

1 What are the minimum, and maximum salaries paid women teachers in your High School?

2 What is your average number of pupils per teacher?

Have you a Business Course, including Stenography and Typewriting? Do you approve of such a course?

I received twenty-three replies. The cities and towns that replied were Arlington, Belmont, Concord, Dedham,

Everett, Framingham, Hyde Park, Lexington, Lowell, Malden, Medford, Melrose, Natick, Needham, Peabody, Reading, Saugus, Swampscott, Wakefield, Waltham, Watertown, Winchester and Woburn.

All but one pay higher salaries than are paid in the Stoneham High School. All but four have a Business Course including Stenography and Typewriting, and heartily approve of the same. Of these four, three think a strong Business Course desirable.

Every dollar the town may expend upon its schools will eventually give a return of more than a hundred per cent on a cash basis to say nothing of the returns in honorable, intelligent citizenship.

The late Secretary Frank A. Hill of the Massachusetts Board of Education states the case very clearly as follows: "Each child in Massachusetts receives an average of seven years schooling, while each child in the United States at large receives only 4.3 years' schooling. The average earning power of each person in Massachusetts is 79 cents a day, while for the country at large it is only 40 cents. The ratio is 79 to 40, the excess being 39 cents per capita. This daily wealth producing power of 39 cents per capita in excess of the average in the nation, means \$100 a year per capita, and \$275,000,000 a year more than it would yield if the per capita production of the state were no greater than the average throughout the country. This is twenty-three times the annual expense for support and buildings. It is not necessary to attribute to the schools this vast excess of production above the average for the country to prove that they pay enormous material dividends. If so humble a fraction as a fifth or even a tenth part of this excess can be traced to schools, they are yet investments that each year return to the state much more than their annual cost. In this connection it will be found that while Massachusetts portrays such a notably large earning power for each person, that the school expendi-

tures always bear a close relation to the local earning power."

The Military Company has sustained its usual good record. Its present officers are: Captain, Benjamin Grant; 1st Lieutenant, Parker Hutchins; 2nd Lieutenant, Charles T. Ervin; 1st Sergeant, Clifford C. Steele; Quartermaster sergeant, Daniel P. Hurd; 2nd Sergeant, Oliver M. Souther; 3rd Sergeant, Arthur L. Kelley; 4th Sergeant, Roland K. Batcheller; 5th Sergeant, Ralph E. Hyde; Corporals, Leo F. Corcoran, Frank M. Moulton, Edward F. Gay, James E. Cogan, Frank Hamill and Burton L. White.

At the annual prize drill Arthur L. Kelley, John E. Dannahy and Frank L. Moulton won first, second and third prizes respectively, and Daniel P. Hurd received honorable mention.

We are indebted to the Class of 1907 for two beautiful friezes, "Boys Playing on Trumpets" and "Children Playing on Cymbals," and also for a beautiful picture "Angel Playing Mandolin." These have been placed in the assembly hall. We are also indebted to Mr. David A. Abbott for a portrait of Daniel Webster that is soon to be hung in the library.

The Alumni Loan Fund has been increased somewhat during the year, and its benefits are already being enjoyed by graduates of the High School.

The very constant interest of townspeople and Alumni in the welfare of the school has been a source of much help and encouragement to those engaged in its management. To all such, in behalf of teachers and pupils, I extend most sincere thanks.

Respectfully submitted,
CHARLES J EMERSON, Principal.

TEACHERS

During the past three years we have found it necessary to engage twenty-seven teachers. At this rate we

should have an entire change of the teaching force as often as every four years. With such frequent changes, it becomes very difficult to maintain a high standard of schoolroom efficiency. Indeed, it becomes almost impossible to develop plans for improvement extending over a number of years. Our best teachers usually work with us not more than two or three years and then pass on to a more lucrative position. This means frequent and expensive interruptions. Sometimes it involves the surrender of enterprises before the successful issue is reached. Under these conditions the best results are impossible.

One of the most influential factors in effecting this unfortunate condition is the low salaries paid the teachers.

If carpenters were paid three dollars a day in Stoneham and four or five dollars a day in all the adjoining cities and towns, skilled workmen of this class would leave the town as rapidly as they secured satisfactory employment elsewhere. Unless the supply was greater than the demand, in a short time there would be no skilled carpenters working in Stoneham.

The same law of supply and demand, alike influenced by money compensation, is operative among teachers.

Nearly every town and city within a dozen miles of Boston (and many further away) pay the teachers more than we do, two or three towns pay about the same, and none, so far as I can learn, are paying less. Hence, there need be no surprise that our most skilful teachers give us but a short term of service.

To compare the salaries paid teachers with the day wages paid mechanics or common laborers involves some difficulties. The active duties of the teacher cover about forty weeks, while in other occupations mentioned the year is a full fifty-two weeks.

The teacher is paid an annual salary, out of which she must pay her expenses for a full year. The teacher is given release from schoolroom service during the summer,

but it is not expected that she will use this time in any other occupation. She is encouraged to and usually does, spend the time in rest and self-improvement, often taking a course at some summer school.

In this town the larger number of teachers are paid a salary of \$500 a year. This is equivalent to \$9.61 a week or \$1.66 a day for 52 weeks in the year. It is less than the wages of the unskilled laborer of whom nothing by way of preparation is required. The teacher must meet rather exacting requirements before she may hope to obtain a position. In addition to a high school course of study she must have had some experience or special preparation for her work.

The purchasing power of the salary paid the teacher is less than the same amount paid to the workman because her expenses for clothing, board and room are greater. The purchasing power of the salary paid teachers in two towns may differ greatly. If a teacher receives an annual salary of \$420 and pays four dollars a week for board, she is getting the same money as a teacher in this town on a salary of \$500 with board at six dollars a week. The fact that living expenses here are so high, as well as the additional fact that good boarding places for teachers are so hard to find, greatly increases the difficulty of obtaining good teachers.

The efficiency of the schools depends in no small degree upon the permanency of the teaching force. If we are to have greater permanency, it is necessary to increase the salaries, provide comfortable and homelike boarding places and secure to the teachers happy conditions of work. The contented teacher is less easily disturbed by an offer of more salary. The dissatisfied teacher will change at the first opportunity, sometimes at a financial sacrifice.

The following is the complete list of changes for the year 1907.

WITHDRAWALS	SCHOOL	ELECTIONS

PHYSICAL EDUCATION AND MEDICAL INSPECTION

No argument is necessary to show that the first and most imperative need of education is the care and proper development of the body. Abounding health and a well-balanced nervous system is the very foundation of all education. If this is well laid it gives us hope that satisfactory results may be reached in intellectual and moral training.

This phase of education, like some others, has been left wholly to the parents, but undoubtedly better results will follow when the home and the school unite in their efforts. One cannot begin too early to study the physical conditions and needs of children, nor be too prompt to obtain necessary help and careful correction for every limitation of childhood. Without doubt many physical disasters of middle life might have been prevented had the case received proper attention in childhood.

The tendency has been for parents and teachers to treat with indifference and neglect the physical side of education, but just now there is marked interest in the subject. This interest has been shown by frequent discussion in conventions of teachers and of physicians, by increasing number of contributions appearing in newspapers and magazines, and by the action taken by school boards and state legislatures throughout the country.

An act of the legislature of 1906 in this state provides for the appointment of school physicians in each city and town, and makes annual examinations of children by

teachers compulsory. The law is a wise one and its provisions have been very generally adopted. At the town meeting last March an appropriation was made to pay for the services of a school physician and several months later Dr. F. E. Park was chosen by the School Committee to fill this important position. His appointment came at an opportune time, just as several cases of diphtheria were appearing in different parts of the town. His assistance in promptly examining all suspected cases, as well as the co-operation of the board of health in attending to the disinfection of schoolhouses whenever called upon, were effective in preventing the spread of the disease through the schools.

For two years the teachers have attended to the duties required of them under this law. Last year about 200 notices were sent to parents notifying them of defective eyesight or hearing of their children. In some cases the parents very readily took action by seeking professional aid, but in many instances no attention was paid to the notice. This year 115 notices have been sent to parents and it is hoped that in every case the advice of a specialist will be sought.

There is need of paying careful and continuous attention to the physical needs of childhood. Healthy children are a very valuable asset of any town or state. It is easier and more economical to give proper attention to the development of healthy bodies than to care for the deceased, deformed and insane of later years. Not all such cases are preventable, but many are when expert service begins in earliest years. It is good policy to employ a school physician and require of him careful examination, as often as once a year, of all childhood of doubtful health. In this way incipient disease is discovered early and properly treated. Weaknesses often unsuspected by parents are detected and the necessary advice given. From the school physician teachers may learn of the physical condition of

the children and make such modification of the usual requirements as the needs of each child demand. Both teachers and pupils are greatly helped by the advice which a competent school physician can give. The town is to be congratulated that it has made provision for the employment of such a man.

INDUSTRIAL EDUCATION

Interest in all forms of manual training is widespread and increasing. Sloyd and sewing have an established place, cooking is gaining ground, school gardening is no longer an experiment and trade schools are being established.

Last year, by legislative enactment, a commission on Industrial Education was appointed by the Governor "charged with the duty of extending the investigation of methods of industrial training and of local needs, and aiding in the introduction of industrial education in independent schools." The law which provides for the appointment of this commission offers state aid to any city or town, or a union of two or more cities and towns, establishing an independent industrial school approved by the commission. There is little in this offer to interest Stoneham. Why not amend the law so that state aid could be available to any town establishing in its present high school a department of industrial education approved by the state authorities. A change somewhat like this seems to be necessary if the cities and towns too small to establish two High Schools are to have aid from the state in making provision for industrial education.

Several times within a few years attempt has been made to have gardens on the school grounds. These attempts, for several reasons, have not been wholly successful. Last spring, under the auspices of the Woman's Club, trial was made of another plan. A plot of ground was hired some distance from any schoolhouse and yet not

far from the center of the town. After being plowed, supplied with dressing and harrowed, it was divided into 100 small garden plots. One hundred tickets were offered to children of the upper grades for 25 cents each and were all quickly taken. The ticket entitled its holder to a supply of seeds, free use of land and tools and the services of a garden instructor. Lessons were given to the children, divided into small groups, every Saturday throughout the season. Nearly all the children were greatly interested in the work, and the results of their efforts were very gratifying. At the fall exhibition of school gardens by the Massachusetts Horticultural Society held in Boston, the children sent in an exhibit and were awarded a prize.

I am pleased to be recorded in favor of every effort of this kind. The educational value of school gardens and home gardens is generally recognized. It would be well if every child, as early as eight years of age, had a home garden. Parents who are striving to train their children to become useful men and women must give attention to the problem of providing them with profitable employment when not in school. The home garden will help to solve the problem wisely and well.

Respectfully submitted,

CHARLES E. STEVENS, Superintendent.

Report of the Overseers of the Poor

TO THE CITIZENS OF STONEHAM:

The Overseers of the Poor herewith present this annual report for the year ending December 31, 1907.

The work of the Overseers at times is very perplexing. The settlement laws are so many and vary so much as to require great care and study to place the settlement of persons where they legally belong.

The law requires that all needy and deserving persons shall be immediately aided, and that the Overseers shall administer the affairs of their office by a careful expenditure of the moneys, without doing injustice to the unfortunate poor.

The expenditures for resident poor is some less than last year. We have had in the past several cases who were cared for in other towns that was not satisfactory to us, but have succeeded in having them all removed to our Alms-house and to the State Hospital. We were fortunate in securing Mr. and Mrs. H. H. Lufler as warden and matron during the months of January, February and March. April 1 Mr. and Mrs. James H. White were appointed to the place, who we feel are rendering excellent service, using good economy, and at the same time giving the inmates good care and food. The interior arrangements in the house have been somewhat remodelled, a family bath room has been provided and plumbing repaired. These being needed repairs have been paid for from the appropriation, and there is still quite an unexpended balance for the year. It is the unanimous opinion of the Overseers that an electric light system should be installed, but they did not feel warranted in doing it without a vote of the town.

Again our acknowledgements are due to the various

benevolent and charitable societies, also to individuals, who by their substantial aid have greatly reduced the expenses of the department.

The number and names of those cared for at the Almshouse during the year appears below, with the disposition of each case. There were two deaths, Elias P. Prime and Lot S. Sweetser.

NO.	NAME	AGE	ADMITTED	DISPOSITION
3	Samuel Gerry	76	Dec. 2, 1853	Continues
55	Leander E. Goodwin	67	June 6, 1881	"
80	Margaret W. Bailey	48	Nov. 2, 1883	"
141	George W. Cowdrey	62	Feb. 6, 1892	"
212	John B. Clough	67	Dec. 4, 1900	"
214	Elias P. Prime	94	Jan. 15, 1903	Died Dec. 1, '07
216	Henry P. Barnes	60	Jan. 19, 1907	Dis. Mar. 30, '07

225	Thomas H. Tierney	45	Apr. 19, 1907	Dis. May 14, '07
226	John A. Buckman	56	May 1, 1907	Dis. May 20, '07
227	Mary Cass	74	May 14, 1907	Continues
228	Lot S. Sweetser	79	Nov. 20, 1907	Died Nov. 24, '07
229	Jesse K. Green	59	Nev. 30, 1907	Continues
230	Thomas H. Briggs	53	Dec. 7, 1907	"

The insane are still cared for by the State.

The feeble minded, epileptics and sick are as follows:

Arba H. Clark at School for Feeble Minded.

Fern Kinsley at School for Feeble Minded.

Leon Gay at Hospital for Epileptics.

Annie Nelson at State Hospital.

There are no minor children under our immediate care.

Three abandoned children were given in charge of the State Board of Charity.

For the detailed statement of receipts and expenditures we refer you to the Auditor's report.

TOWN PHYSICIAN

February 26, 1907, Dr. A. H. Cowdrey, on account of

sickness, resigned the position which he had held for so many years. March 5, 1907, Dr. George W. Nickerson was appointed to the place. Dr. Cowdrey was first appointed September 9, 1890, by the Board of Overseers, consisting of W. Ward Child, Silas Dean and Henry H. French, and had been re-appointed by the different Boards, having served nearly seventeen consecutive years, thus showing that he was eminently fitted for the position. The present Board wish to testify to his sterling worth, the fidelity with which he responded to all calls, and the kindly words spoken to the poor and unfortunate.

WILSON A. BARTLETT,

JOHN G. BEEDE,

WALTER C. BANCROFT,

Overseers of the Poor.

Report of the Town Physician

TO THE OVERSEERS OF THE POOR:

Considering the fact that nearly all the poor who are cared for by the community are invalids, there has been but little severe illness.

Two deaths have occurred, Elias P. Prime, aged 94, and Lot Sweetser, aged 82.

Mr. and Mrs. White, Superintendent and Matron of the Almshouse, have been most faithful in their care of the sick.

Respectfully yours,

G. W. NICKERSON, Town Physician.

Report of the Board of Health

TO THE CITIZENS OF STONEHAM:

The Board of Health respectfully submits the following report for the year ending December 31, 1907.

An act to provide for the keeping of medical and surgical appliances in factories was passed by the Massachusetts Legislature, and conforming to it the Board sent the following notice to all manufacturers in Stoneham:

The following medical and surgical supplies shall be kept on their premises by all manufacturers "operating machinery for any other purpose except for elevators, or for heating or hoisting apparatus," in Stoneham, to comply with Chapter 164, Acts and Resolves passed by the Legislature of Massachusetts during the Session of 1907:

- 1 Package Gauze (10 yds).
- 1 pound Absorbent Cotton.
- $\frac{1}{2}$ pint Sulpho-Napthol.
- $\frac{1}{2}$ doz. 2-inch Bandages.
- $\frac{1}{2}$ doz. 1-inch Bandages.
- 1 quart Carron Oil.
- Tourniquet.
- Artery Forceps.
- Splint Boards.
- $\frac{1}{2}$ pint Brandy.
- 4 ozs. Aromatic Spr. Ammonia.
- 1 roll 1-inch Adhesive Plaster.
- 2 packages Safety Pins.
- 1 pair Scissors.

We are pleased to report that every manufacturer in Stoneham has promptly complied with the law.

The town having failed to make any provision for the collection of ashes and garbage, at the annual town meet-

ing. the Board, as a measure of safety, adopted the following health regulations for the Sanitation of houses, premises and streets:

REVISED LAWS OF MASSACHUSETTS, CHAPTER 75,
SECTION 69

REGULATION 1. Every owner of buildings, dwellings or premises of any description within the limits of the town of Stoneham. or the authorized agent of such owner, shall keep such buildings and premises free from all garbage, waste or refuse matter at all times and from any nuisance or source of filth as may be dangerous to public health. Each owner or his authorized agent will be held at all times accountable for any objectionable features upon his premises.

REG. 2. No person shall throw or deposit in any street, court, square or public place, or into any pond, brook or ditch any dead animal, fowl or any decaying vegetables, offal, dirt, garbage, refuse or filth of any kind.

REG. 3. No person shall make use of the land belonging to any person, corporation or others as a dump for the deposit of any offensive matter or refuse material of any kind, without the special permission of the owner, who will at all times be held responsible for the condition thereof.

REG. 4. Any person wishing to deposit or cause to be deposited, waste material for the purpose of filling, must first obtain permission from the Board of Health to maintain a dump, and will be required at all times to keep the surface in a cleanly and sightly condition.

REG. 5. No person shall collect swill or offal within the limits of the town of Stoneham, or remove or carry the same through the public streets without a written permit from the Board of Health. All persons holding such permits will be required to provide tightly covered receptacles for containing such matter and must conduct such

removal in such a manner as shall not be offensive to sight to or smell.

Adopted April 8, 1907.

The necessity of the town purchasing some unimproved land suitable for the establishment of a PUBLIC DUMP, must be clear to all residents who desire to keep their premises in good sanitary condition; and also for the disposition of ashes, garbage, etc., which our local concerns and dealers must dump on private property or the public highway with or without the consent of the owners or the Board of Health, often to the annoyance or injury of the neighbors near to, or the general public. We would recommend that the town take some action in the near future to solve this vexed problem.

A medical authority of high standing in the U. S. has said "Laws are of value only in proportion to the active public opinion that is behind them. ONE OF THE FIRST DUTIES OF CITIZENSHIP—INDIVIDUAL DUTIES—is to see to it that your own household and your own neighborhood live up to the light of hygienic knowledge. However competent and efficient and untiring your local health officials may be, their success in enforcing the laws is dependent upon the sentiment of the community." We would advise all to read, mark and digest the above regulations and suggestions.

Diphtheria has been prevalent to a larger extent than for many years in town. But had it not been for the strict regulations regarding release from quarantine, the number of cases would have exceeded the reported total, is the opinion of the Board.

In answer to queries regarding release from quarantine from diphtheria, the Board of Health, after consulting the very best authorities in this state, would say: That it was their unanimous opinion that the only safe course to pursue by the Board was "that two consecutive negative

cultures should be taken by a physician before release from quarantine."

As a safeguard to the health of the town, the local Board of Health require two consecutive negative cultures for release from quarantine from diphtheria.

We would again call the attention of our citizens to the advisability of house connection with the public sewer and the installing of modern sanitary conveniences as a public necessity.

An appropriation should be made by the town to enable the Board of Health to successfully prosecute its duties.

Respectfully yours,

GEORGE N. GREEN,

Agent.

STONEHAM, MASS., Jan. 1, 1908.

TO THE BOARD OF HEALTH,

STONEHAM, MASS.

GENTLEMEN:—I submit the following as my report for the year ending December 31, 1907.

I began my duties on June 1st, 1907, at which time twenty services had been inspected and approved by my predecessor, Mr. John T. Barker, which services comprised the following fixtures:

Water Closets Installed	26
Wash Bowl "	9
Wash Trays "	11
Sinks "	27
Bath Tubs "	11
Old Houses Connected with Sewer	16
New Houses " " "	1
Old Houses " " Cesspool	3

104

Since June 1st there have been fifty-six services inspected and approved which comprised the following fixtures:

Water Closets Installed	64
Wash Bowls "	34
Wash Trays "	30

Sinks	"	57
Bath Tubs	"	31
Old Houses Connected with Sewer		36
" " " " Cesspool		12
New " " " " "		4
" " " " Sewer		3
Tannery	"	"	"	.	.	1
						<hr/> 272

Permits granted and services not inspected, four of which will have the following fixtures:

Water Closets	3
Wash Bowls	4
Wash Trays	8
Sinks	3
Bath Tubs	4
Sewers	4
						<hr/> 26
Total Permits Granted	80

At the request of your Board I have made inspections of several buildings, public and private, for the purpose of ascertaining the sanitary condition of the same, all of which, with the exception of one, I have found in good condition.

Respectfully yours,

ANDREW J. BURNETT,

Inspector of Plumbing.

STONEHAM, MASS., Jan. 1, 1908.

TO THE BOARD OF HEALTH,
STONEHAM, MASS.

GENTLEMEN:—The Board of Examiners of Plumbers has held two meetings for examination of Plumbers, at which one applicant passed as a Master Plumber and one

as a Journeyman Plumber and licenses were granted by your Board.

Respectfully submitted,
ANDREW J. BURNETT, Clerk.

BOARD OF HEALTH,
STONEHAM, MASS.

GENTLEMEN:— Since I have been the Inspector of plumbing of your town I have given a great deal of thought to your plumbing regulations and I feel justified in recommending to your Board the abolishing of what is termed “the main drain tray.” I believe it to be an unsanitary fitting and a useless and unnecessary expense.

Please find enclosed a paper read at the American Society of Inspectors of Plumbing and Sanitary Engineers, which states my position.

Should your Board deem it advisable to accept my recommendation, I would suggest that the plumbing regulations be amended by striking out any section relative to the use of the main drain trap.

Very truly yours,
ANDREW J. BURNETT.

Report of the Board of Public Works

We have to record the death of Mr. Henry A. Smith, a member of this Board. Mr. Smith was elected a Commissioner for 3 years at the March meeting 1905, and died July 3d, 1907, having served two years and four months. Mr. Smith was a great sufferer during his connection with the Board, and it was therefore deprived of his services a

greater part of the time. He was a man of strong opinions and a conscientious member of the Board.

TO THE CITIZENS OF STONEHAM:

The following report is submitted.

HIGHWAYS

This department has been under the supervision of Mr. Jos. W. Holden, with Mr. Thomas Mulroney as foreman. The matters pertaining to the department have received the careful attention of the Board. The streets, while they are safe, are not in as good condition as many would wish. The amount of money appropriated for the fifty miles of streets in this town is entirely inadequate to take care of them in first class shape. The only thing that can be done, therefore, is to make them as safe as possible. I think the taxpayers do not stop to consider that a large part of the Highway appropriation has to be expended on various other things, such as repairs of road machinery, gutters, basins, drains, culverts, sidewalks; and as the town has no gravel of the quality needed, all material has to be paid for from the appropriation. You will therefore see that the amount actually expended on the roadbed itself must be reduced materially. It is only a question of the near future when Stoneham will have to increase its Highway appropriation. We would suggest that the Finance Committee make a personal survey of some of the principal streets before making their recommendations for Highway repairs.

STONE CRUSHER

This machine, with an expenditure of \$150, will do the work of the town for another year.

ROAD MACHINE

This machine is in good repair except for painting.

WATERING CART

The oldest cart has been repaired by having a new tank and sprinklers attached, and is as good as new. The other cart is in fair condition.

STREET RAILING

New railing has been built on North street and Spring street, and repairs have been made on Maple street, Central street, Franklin street and Pond street. There are still a number of places that should be railed to protect the town from accident.

CONCRETE

A large per cent of the concrete walks and gutters are in need of repair. It would seem that it would be economy on the part of the town to make the repairs the present year, as they can be repaired now for one half the cost. After a walk is beyond top dressing and has to be laid anew the expense doubles. We believe it poor policy for the town to continue to lay down new walks and not to keep those already laid in repair.

DRAINS

We have had a number of requests to repair and clean out drains and ditches. We have attended to those we considered town drains.

BASINS

There has been but one basin built the past year. A number have had to be repaired.

GUIDE BOARDS

A large number of guide boards have been repainted, and in a number of cases new ones have been provided. There are still a few to be looked after the coming season.

GRAVEL WALKS

We have repaired quite a number of these the past year, and a great many more need it badly.

WATER DEPARTMENT

EXTENSION OF MAINS

The mains have been extended on Cowdrey street and Manison street.

A 6 in. C. I. main was laid on Cowdrey street, a distance of 631 ft., and a hydrant set on the same. The cost, including hydrant, was \$1.20 per foot.

A 2 in. W. I. pipe was laid on Manison street a distance of 760 ft. at a cost of 38c per ft.

We have also repaired the pipe on Summer street, between Pine and Main streets (that was weakened by lightning) and placed a hydrant on the same near the corner of Pine street.

SERVICE PIPES

Thirty-one new services and forty-one old services have been laid the past season, a total of 3641 feet, at an average cost to the town of 41c per foot.

REPAIRS

The usual amount of repairs have been made both on main pipes and service pipes, twenty-five (25) in all.

METERS

The Legislature of 1907 passed an act making it obligatory on towns and cities in the Metropolitan district to install each year, beginning January 1, 1908, a meter on each new service, and also 5 per cent of all unmetered service. This mean a revolution in the Water Department as to rates and collections. This subject will be treated by the committee reporting at the annual meeting.

SEWER DEPARTMENT

The sewer has been extended on Franklin street to Highland avenue. The building of this was let to John E. Palmer & Co., contractors of Boston.

This was no doubt the hardest sewer proposition that the town has encountered, and much credit is due Mr. Palmer for his persistent efforts in the face of a losing contract. Nearly one half of the sewer is built in solid rock, 20 feet below the surface. The entire distance is 634 feet and cost, including two manholes, \$8.47 per ft.

The regulators have been cleaned each month, and the entire system has been cleaned. There is considerable trouble encountered from tree roots, in some instances completely filling the pipes and in some sections the sewer is liable to have to be relaid in the near future.

SERVICES

Forty-two (42) house connections have been made the past year, aggregating 2219 feet, at a cost of \$1410.66; an average cost of 63c per foot.

JOSEPH W. HOLDEN,
JAMES A. JONES,
Commissioners of Public Works.

REPORT OF SUPERINTENDENT OF STREETS

TO THE COMMISSIONERS OF PUBLIC WORKS:

GENTLEMEN:—The following is my report for the time from January 1st to December 31st, 1907.

The streets have been under the supervision of J. W. Holden, in connection with T. A. Mulroney as foreman, and the following streets have been repaired in the last year.

CENTRAL STREET

Central street has been macadamized from Emerson to Common streets.

COMMON STREET

Common street has been macadamized with tar macadam from Central to Pine streets.

FRANKLIN STREET

Franklin street has been re-surfaced and rolled from Main street to the Melrose line.

MARBLE STREET

Marble street has been re-surfaced and rolled from Main street to the Winchester line.

WARREN STREET

Warren street has been put in first class condition with gravel top and thoroughly rolled, and should last for several years.

MAIN STREET

Main street has been repaired near Marble street.

STEVENS STREET

Stevens street has been rebuilt from Franklin street to the house of D. M. Stewart, and is now in very good condition.

COLUMBUS AVENUE

\$300.00 was appropriated for the purpose of building that part of Columbus avenue accepted by the town. This sum has been expended and the street put in good condition, but as it is built in low land it will no doubt settle and require some further grading.

GENERAL REPAIRING

Pond street, William street, Pine street, Wright street, Hersam street, Fuller street, Spencer street, Washington street, Elm street, Chestnut street, Maple street, Spring street, Broadway, Green lane, Montvale avenue, Highland avenue, Central street and Collincote street, have all been repaired in parts where needed the most.

The gutters have been cleaned and the basins have been emptied a number of times during the year. This is necessary after nearly every storm, to prevent the overflows from filling with sand and thus making heavy expense in uncovering pipes and replacing them. The culverts under the several streets have received their regular cleaning and repairing. The culvert on William street was repaired. One new basin has been put in and several have been repaired. There should be some added each year and thus improve the surface drainage.

CONCRETE

The usual repairs on sidewalks, gutters and crossings have been made, trying in each instance to select those that needed repairing the most. Edgestones have been reset and several feet of new stone laid on Common street. There are several sidewalks that are in very bad condition. I would recommend an appropriation of \$1500 for repairs.

GRAVEL WALKS

A gravel walk has been built on Bow and Avon streets. Crushed stone has been put on the walks on Hancock, Wright, Warren, Waverly, Gerry and Perkins streets.

STREET RAILING

A new railing has been built on North street, east of Main street, also west of Main street. The railing on Maple street hill has been repaired. Also a new railing has been built on Spring street near the house of Charles Baldwin. Some other minor repairs have been made. There are still a number of places that should be railed. This is made necessary, in a number of cases, by the cutting of brush by the Moth Department, on streets that are not built to the full width.

JOSEPH W. HOLDEN,
Superintendent of Streets.

Report of the Trustees of Lindenwood Cemetery

TO THE CITIZENS OF STONEHAM:

The Cemetery, under the present system, continues to be self-supporting, and we recommend the existing methods be employed for a further time.

Received from sale of lots, care of lots, and from sale of graves, opening graves, etc. . . . \$2,070.03

No. of lots sold 8

No. of graves sold 2

Fourteen deposits were made for perpetual care of lots, amounting to \$1250.

The Trustees have erected a Page iron fence on easterly and northerly bounds of Cemetery as per vote of town.

For further details see reports of Auditors and Treasurer.

Respectfully submitted,
F. E. NICKERSON,
CHARLES C. DIKE,
CHARLES W. MESSER,
DAVID A. ABBOTT,
WINFRED DIKE,
Trustees of Lindenwood Cemetery.

Report of the Trustees of Public Library

TO THE CITIZENS OF STONEHAM:

The Trustees of the Public Library present their annual report.

It is a pleasure to record that the past year has been one of steady growth and increasing usefulness. Each month some new books are placed upon the shelves, so the patrons may have an opportunity of seasoning the old with a sprinkling of the fresh, and an endeavor is made to supply the wants of all classes, from student to fiction lover. Recommendations from readers are always gladly received, and slips may be obtained at the desk upon which to write the title of any book desired, the author, and publisher. These requests are always considered by the committee, and the volume purchased, unless on examination it is deemed unsuitable for the Library.

It is very gratifying to note the large number of adults who gather in the reading-room to look over the daily papers or magazines, and the room for juveniles is rarely vacant. The children sometimes forget the legitimate use of a reading-room, and that the rights and comforts of others make it an absolute necessity that quiet should reign supreme. Thoughtlessness is a glaring fault of the rising generation, and children should be taught to remember the duty which they owe to others. The citizens of Stoneham are very generous in supplying means for the education and intellectual improvement of young and old, and the least anyone should do is to show grateful appreciation by doing his part to get the most valuable results from these opportunities.

Casts of Minerva, Giustiniani, and Diana, Robing, have been placed in the delivery room, thus adding much

to its attractive appearance. The original of the former by Phidias formed a part of the decoration of the Parthenon, but it is now in the Vatican at Rome; the latter by Praxiteles, is in the Louvre, Paris. It is not alone the province of a Library to furnish books to its frequenters, but, by the means of Art as well, to increase the elevating influence which should pervade the place.

An iron fence has been placed in the rear of the building, which will prove of much value in maintaining the tidy appearance of the grounds.

The Librarians, Mrs. Boyce and Miss Lynde, have continued their efficient services during the year.

We are sorry to state that E. Porter Dodge, on account of illness, is unable at present to act as janitor, and Mr. P. C. Jones has been appointed his substitute.

We wish to express thanks to the friends who have kindly presented us with gifts of books during the year.

For the ensuing year the Trustees recommend the following appropriation, \$1700.00, dog tax and unexpended balance.

TOWN WARRANT

COMMONWEALTH OF MASSACHUSETTS
MIDDLESEX, SS.

To John C. C. Small, or either of the Constables
of the Town of Stoneham, in the County of Middlesex.
GREETING:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs, to meet in Armory Hall in said town on

Monday, the Second Day of March

A. D. 1908, at five o'clock and forty-five minutes in the forenoon, to act on the following articles of this warrant:

ARTICLE 1. To choose by ballot a Moderator to preside at said meeting.

ART. 2. To choose a Town Treasurer, three Selectmen, one Assessor, three Overseers of the Poor, three Constables, two Auditors, a Tax Collector and a Tree Warden, all for one year; also one Assessor for two years; also one Assessor, one Commissioner of Public Works, one member of the Board of Health, one member of the School Committee, one Park Commissioner, and two Trustees of the Public Library, all for three years; also one Trustee of Lindenwood Cemetery for five years; also to vote "Yes" or "No" in answer to the following question: "Shall licenses be granted for the sale of intoxicating liquors in this town?" all on one ballot, in accordance with votes of the town, and the Revised Laws of Massachusetts.

The polls will be opened at five o'clock and forty-five minutes in the forenoon, and may be closed at four o'clock in the afternoon.

ART. 3. To choose all other necessary Town Officers for the year ensuing.

ART. 4. To hear the reports of Town Officers and Committees and to act thereon, and to choose Committees.

ART. 5. To raise such sums of money as may be necessary to defray town charges for the year ensuing, and make appropriations for the same.

ART. 6. To see what sum of money the town will vote to raise and appropriate for repairs and decoration of soldiers' graves for the year ensuing.

ART. 7. To see what sum of money the town will vote to raise and appropriate for the purchase of books, and for the support of the Free Public Library and Reading Room for the year ensuing.

ART. 8. To see in what manner the town will appropriate the money received for licenses of dogs.

ART. 9. To see if the town will authorize its Treasurer to hire money for the use of the town, under the direction of the Selectmen.

ART. 10. To see if the town will authorize the Collector to use all means of collecting taxes which the Town Treasurer may use when appointed Collector.

ART. 11. To see if the town will accept the List of Jurors as revised by the Selectmen.

ART. 12. To see if the town will vote to grant the free use of Armory Hall to Post 75, G. A. R., six evenings in the coming year, when not otherwise engaged.

ART. 13. To see if the town will vote to grant the free use of Armory Hall to Leon E. Warren Camp 31, U. S. W. V., five evenings in the coming year, when not otherwise engaged.

ART. 14. To see if the town will grant the free use of Armory Hall to the High School Alumni Association one evening in the coming year, when not otherwise engaged.

ART. 15. To see if the town will vote to fix the time for allowing discount on taxes, and also fix the time when uncollected taxes shall go on interest; fix the rate of discount to be allowed, and the rate of interest to be charged, and take such other action as may be necessary in relation to the same.

ART. 16. To see if the town will vote to water the streets of the town, or any of them, or do anything in relation to the same.

ART. 17. To see if the town will construct a drain under Summer street, from its junction with Pine street, easterly to the ditch on the easterly side of Pond street near the residence of William Maguire, make an appropriation for the same, or do anything in relation thereto.

ART. 18. To see if the town will vote to install a storage battery for the fire alarm system, make an appropriation for the same, or do anything in relation thereto.

ART. 19. To see if town will re-appropriate the unexpended balance of one hundred dollars and forty-seven cents (\$100.47) for building fence at Lindenwood Cemetery, for the purpose of extending the fence on the westerly bounds of said Cemetery.

ART. 20. To see if the town will vote to pay laborers employed by the town the year ensuing, the sum of two dollars for each day's work of eight hours; for single teams the sum of three dollars and fifty cents for each day's work of eight hours, and for two horse teams the sum of five dollars for each day of eight hours.

ART. 21. To see if the town will authorize the issue of water bonds under authority of Chapter 559 of the Acts of the year 1907, designate the denomination and interest of said bonds, and pass any other votes necessary to carry out the will of the town relative to said issue.

ART. 22. To see if the town will authorize the issue of sewer bonds under authority of Chapter 522 of the Acts of the year 1907,

designate the denomination and interest of said bonds, and pass any other votes necessary to carry out the will of the town relative to said issue.

ART. 23. To see if the town will vote to lay a water main in and through West Hancock street, from Park street westerly three hundred and fifty feet, appropriate and raise money therefor by sale of water bonds or otherwise; pass any vote, or take any action relative thereto.

ART. 24. To see if the town will vote to construct a sewer in and through Washington street from Pomeworth street to Tremont street, appropriate and raise money therefor by sale of sewer bonds or otherwise; pass any vote, or take any action relative thereto.

ART. 25. To see if the town will vote to raise and appropriate the sum of fifteen hundred dollars for maintenance of sewers for the year ensuing, or do anything in relation thereto.

ART. 26. To see if the town will vote to purchase two snow plows, and raise and appropriate the sum of one hundred and twenty dollars for the same, or do anything in relation thereto.

ART. 27. To see if the town will vote to raise and appropriate the sum of five hundred dollars for railing streets, or do anything in relation to the same.

ART. 28. To see if the town will re-appropriate the unexpended balance of thirty-nine dollars and twenty cents for guide boards, or do anything in relation thereto.

ART. 29. To see if the town will vote that licenses, under the By-Law to collect and deal in junk and second hand articles, be granted to citizens of the town only.

ART. 30. To see if the town will vote to rebuild the bridge on Lindenwood road westerly from the tracks of the B. & M. R. R., make an appropriation for the same, or do anything in relation thereto.

ART. 31. To see if the town will vote to open and clean out the drain crossing Washington street, opposite Washington court, make an appropriation for the same, or do anything in relation thereto.

ART. 32. To see if the town will vote to repair Chestnut street, make an appropriation for the same, or do anything in relation thereto.

ART. 34. To see if the town will appropriate the sum of three hundred dollars for the use of the Board of Health in enforcing their decisions; none of said amount to be expended as compensation for any member of the Board.

ART. 35. To see if the town will vote to sell the lot of land on North street known as the North Street School lot, or do anything in relation thereto.

ART. 36. To see if the town will vote to appropriate the sum of fifteen hundred dollars for repairs to concrete walks, or do anything in relation to the same.

ART. 37. To see if the town will vote to repair the concrete sidewalk on the westerly side of Waverly street, from Elm street to High street; also to repair the concrete sidewalk on the westerly side of High street, from Waverly street to Broadway, make an appropriation for the same, or do anything in relation thereto.

ART. 38. To see if the town will vote to concrete the sidewalk on the southerly side of Pleasant street, from Pine street to the Railroad crossing, under provisions of Section 43 of Chapter 49 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

ART. 39. To see if the town will vote to concrete the sidewalk on the easterly side of Main street, and set edge stones thereon, from Pleasant street to the tracks of the Boston & Maine R. R. at Farm Hill Station, under the provisions of Section 43 of Chapter 49 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

ART. 40. To see if the town will vote to concrete the sidewalk on the westerly side of Lincoln street, from the existing concrete walk at land of Josephine F. Sweetser southerly to Marble street, under the provisions of Section 43 of Chapter 49 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

ART. 41. To see if the town will vote to curb the sidewalk on the easterly side of William street abutting premises of Lucetta and Hannah Tyler, under the provisions of Section 43 of Chapter 49 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

ART. 42. To see if the town will lay a cross walk of concrete on Washington street, at its junction with Myrtle street, near the residence of H. M. Chamberlain, make an appropriation for the same, or do anything in relation thereto.

ART. 43. To see if the town will vote to lay a cross walk of concrete at the corner of Main and Hancock streets, make an appropriation for the same, or do anything in relation thereto.

ART. 44. To see if the town will vote to concrete the sidewalk on the southerly and westerly sides of Pleasant street, where the same is not now concreted, from Pleasant street railroad crossing to Summer street, under the provisions of Section 43 of Chapter 49 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

ART. 45. To see if the town will vote to concrete the sidewalk on the westerly side of Summer street, where the same is not now concreted, from Pleasant street to Franklin street, under the provisions of Section 43 of Chapter 49 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

ART. 46. To see if the town will construct a gravel and crushed stone sidewalk on the westerly side of Congress street, from Hancock street southerly to Winthrop street, make an appropriation for the same, or do anything in relation thereto.

ART. 47. To see if the town will vote to concrete the sidewalk on both sides of Chestnut street from Gilmore street northerly to Montvale avenue, under the provisions of Section 43 of Chapter 49 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

ART. 48. To see if the town will vote to concrete the sidewalk on the southerly side of Franklin street, from the end of the existing concrete at or near land of Harriet Spencer, easterly to Pearl street, under the provisions of Section 43 of Chapter 49 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

ART. 49. To see if the town will vote to locate incandescent

electric lights as follows: one on Plaza avenue; one on Pond street near the residence of Daniel E. Quinlan; one on Elm street at its junction with Central street; one on Cowdrey street at the corner of Keene street; one on the easterly side of Green street, opposite Myrtle street; and one on Spring street opposite Charles street; make appropriations for the same, or do anything in relation thereto.

ART. 50. To see if the town will vote to appropriate the sum of two hundred dollars for the purpose of cleaning out the brook from Summer street, near the residence of William Maguire, to Hancock street, or do anything in relation to the same.

ART. 51. To see if the town will vote to construct a catch basin on the south side of Marble street, near the residence of George L. Cail, and connect the same with drain, make an appropriation for the same, or do anything in relation thereto.

ART. 52. To see if the town will vote to lay a water main in and through Hancock street, from the end of the existing main therein, westerly, to connect with the water main in Park street, appropriate and raise money therefor by sale of water bonds or otherwise, pass any vote, or take any action relative thereto.

ART. 53. To see if the town will vote to construct a sewer in and through Hancock street, from existing sewer therein, westerly to the land of George Cole, appropriate and raise money therefor by sale of sewer bonds or otherwise, pass any vote, or take any action relative thereto.

ART. 54. To see if the town will vote to repair Elm street, between Main street and Waverly street, make an appropriation for the same, or do anything in relation thereto.

ART. 55. To see if the town will vote to locate a hydrant at the corner of Mt. Pleasant street and Prospect street, make an appropriation for same, or do anything in relation thereto.

ART. 56. To see if the town will vote to build a gravel walk on the northerly side of Mt. Pleasant street, from Washington street to Prospect street; also on the easterly side of Prospect street, from Mt. Pleasant street to land of George E. Perry, make an appropriation for the same, or do anything in relation thereto.

ART. 57. To see what sum of money the town will vote to raise and appropriate for services of a school physician, as required by Chapter 502 of the Acts of the year 1906.

ART. 58. To see what action the town will take in the suit for damages brought against the town by William McLaughlin for alleged personal injury, caused, as he claims, by a defect in the bridge on Lindenwood road; also to see what action the town will take in the suit brought against the town by Henry Meegan for damages for the loss of two cows, caused, as he claims, by poison sprayed by the town to destroy Brown Tail and Gypsy Moths.

ART. 59. To see if the town will vote to request the Metropolitan Park Commission to grant the petition of the Boston & Northern Street Railway Company a franchise in the Middlesex Fells Reservation, from the Medford line to South street in Stoneham, or do anything in relation thereto.

ART. 60. To hear the report of the committee appointed to revise the By-Laws of the town, and to act thereon.

ART. 61. To hear the report of the committee appointed to investigate the meter system for water services in the town, and to take

such action as may be necessary to carry out the will of the town relative thereto.

And you are directed to have one hundred copies of this warrant printed, and to serve the same by posting up twenty-five attested copies as follows, viz: — One at each of the Meeting-houses and School-houses in said town, and the residue of the twenty-five copies in conspicuous places in different sections of said town, seven days at least before the time for holding said meeting. The remaining seventy-five copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk at the time and place of meeting as aforesaid.

Given under our hands this Eighteenth day of February in the year of our Lord one thousand nine hundred and eight.

ARTHUR N. NEWHALL,
GEORGE R. BARNSTEAD,
Selectmen of Stoneham.

A true Copy, Attest: JOHN C. C. SMALL, Constable.
